

THE JBS ONLINE DISCUSSION SERIES

# THE MARKET OUTLOOK: Rebuilding the post-COVID-19 economy

COVID-19 has stopped the global economy in its tracks!

Will the aftermath of this rival that of the Great Depression, or will the economy recover quickly once the pandemic has passed?

Join **Glenn Silverman**, investment expert and Professor of Practice at the Johannesburg Business School, for an interactive discussion on the impact of COVID-19 on global markets, and the outlook for South Africa.

Wednesday, 20 May 2020

09:00 – 10:00 SAST
