

## Online Short Learning Programme

### Title: Mentoring student and novice teachers

This SLP is jointly developed with the University of Helsinki, highly regarded for its excellent teacher education. It is a credit bearing online module that will articulate towards an Honours degree in Childhood Education (as per university rules).

**Duration:** 6 months  
**Cost:** R5210.00

**The purpose of the SLP in “Mentoring student and novice teachers”, is to provide a structured, accredited, online SLP for mentor teachers so that they are enabled to:**

- develop a thorough and nuanced understanding of the concept of mentorship
- implement the mentoring process, and provide effective and inspirational support to student/novice teachers.

**To gain admission into the SLP a potential student should:**

- Be currently engaged in teaching **AND** in possession of a four- year professional teaching degree  
**Or**
- An appropriate Bachelor’s degree and a recognised professional teaching qualification  
**Or**
- A three-year professional teaching qualification (s) as well as and Advanced Diploma/Certificate in a cognate sub-field of Education

**Apply online at:** [www.uj.ac.za/apply](http://www.uj.ac.za/apply)
