

Postgraduate Certificate in Education in the Faculty of Education with modules offered in the Faculty of Art, Design and Architecture (FADA)

This Postgraduate Certificate in Education (PGCE) by the Faculty of Education in partnership with the Faculty of Art, Design and Architecture (FADA) at a module level, will offer the following methodologies: 1. Subject Methodology: Visual Arts, 2. Subject Methodology: Design, and 3. Subject Methodology; Creative Art.

The aim of these modules is to establish a firm basis for a professional teaching qualification in art education in terms of disciplinary subject knowledge and teaching methodology. Students with a first degree in Fine Art or any Design related qualification will be introduced to the way in which their knowledge about art and design can be conveyed into interested and meaningful material for young learners, as well as the best and most effective ways in which to impart or teach this knowledge to receptive learners in order to become professional educators in the South African schooling system.
