ATNS Engineering Learnership

Applications are invited for the ATNS Engineering Learnership 2019

Air Traffic and Navigation Services State-Owned Company Limited (ATNS SOC Ltd) is proud to invite dynamic and enthusiastic engineering students to apply to be part of the Engineering Learnership Programme at the Aviation Training Academy (ATA) based in Bonaero Park, Johannesburg.

The programme runs for 12 months consisting of Experiential Training P1 & P2. Successful completion on P1 allows a student to be automatically enrolled on P2.

Who Qualifies?

A candidate who

- Has / about to be completed Electrical Engineering Semester four (4) from the University of Technology in any of the following fields:
 1. Electrical Engineering:
 - Telecommunication
 - Process Instrumentation
 - Digital Systems
 - Computer Systems
- Is a South African Citizen with a valid ID
- Is Computer Literate (MS Office)
- Shows drive to achieve ambitious performance objectives and quality standards
- Is willing to take every opportunity to learn and grow

What happens in the twelve months?

The Engineering Learnership will be monitored throughout the 12 months period, which includes the mentorship and coaching programme.

After the 12 months programme, the company may place a candidate permanently in a suitable area having considered available opportunities, performance and competence.

The following are some of the careers available at ATNS SOC Limited within the Operations Technology Department:

- Engineering Technicians
- Technical Standards Specialists
- Systems Engineers
- Engineers

Interested applicants are requested to register their CV's and apply online by clicking on ATNS Careers) no later than 20 September 2018.

If you have not been contacted within 3 weeks of the closing date of this advert, please accept that your application was unsuccessful.

ATNS is an equal opportunity employer that strives to achieve a diverse workforce broadly representative of our people.
