

Applications for the AVI–NBL 2019 Graduate Programme is now open

Graduate Programme for: Mechanical Engineering Graduate

AVI LIMITED, listed on the Johannesburg Stock Exchange, is home to many of South Africa's leading and best-loved brands. Our National Brands Limited business, centred on the FMCG market, focuses on the beverage, biscuit and snack brands.

The NBL Graduate Programme is a 24-month programme. We give our graduates a platform to present ideas and innovations and be change-makers. Are you ready?

The Mechanical Engineering graduate will be involved in various projects to gain in-depth knowledge of plant, processing and packing equipment. Working closely with the Engineering Specialists, you will be participating in identifying efficiency issues and suggesting functional solutions, be involved in line installations and line commissioning, and gain skills of the core concepts of mechanics, thermodynamics and food processing.

Applicants interested in the programme must have strong leadership abilities, an analytical and innovative mind-set; be a team player with a passion for achieving; and a self-starter who is open to all the unique learning opportunities we offer.

Requirements:

- A BEng Mechanical Engineering
- Have a minimum average of 60% in your final year
- Able to work in Isando (Johannesburg East) or Rosslyn (Pretoria North)
- Must be willing to travel when required
- Be a South African Citizen

Applicants, who are interested and meet the above requirements, are invited to visit our graduate site to apply for the programme online at <http://dev.avi.co.za/graduate-opportunities/>

Applications will close on 8 August 2018.
