

DII – 2017

An International Conference on Infrastructure

DEVELOPMENT AND INVESTMENT STRATEGIES FOR AFRICA

**Marriot Protea Hotel,
Livingstone, Zambia
30 August – 1 September 2017**

HOSTED BY THE

UNIVERSITY OF ZAMBIA

**UNIVERSITY
OF
JOHANNESBURG**

CALL FOR PAPERS

OBJECTIVES

The DII-2017 conference is part of the DII conference series on Infrastructure Development and Investment in Africa and the developing world. It aims to provide a forum for leaders, researchers, practitioners and other stakeholders in infrastructure development to discuss, evaluate and devise ways of maximizing benefits from infrastructure development and achieve outputs that will inform policy and wider development goals.

CONFERENCE THEME AND TOPICS Infrastructure and Sustainable Development - Impact of Regulatory and Institutional Framework

With focus on the impact of regulations on sustainable infrastructure development, Invitations are now open for experts and scholars to submit full papers on the following topics:

- Infrastructure development strategies for developing countries
- Renewable energy for sustainable growth and development
- Human factors in infrastructure development
- Legislative & institutional frameworks' impact on infrastructure development
- Infrastructure finance and procurement strategies
- Sustainable development and growth infrastructure
- Appropriate technology, ICT and innovation
- Development Goals and Infrastructure
- Infrastructure, Climate change and pandemics in developing countries

BOOK CHAPTERS – CAMBRIDGE UNIVERSITY PRESS PUBLISHED

Outstanding papers will be selected for inclusion in a Cambridge University Press Published book on Infrastructure in Developing Countries. A book authors' workshop will also be held at the conference to prepare for publication. A chance never to be missed.

POSTGRADUATE STUDENT PAPERS

Research papers and proposals are also invited from PG students for poster presentation at the conference.
