UNIVERSITY OF JOHANNESBURG
FACULTY OF HEALTH SCIENCES
CHARTER: THE UJ OLYMPIC STUDIES CENTRE

1. NAME

The UJ OLYMPIC STUDIES CENTRE (hereafter referred to as the Centre or UJ-OSC).

2. STATUS

The Centre is not an independent legal entity. It is an integral part of the University of Johannesburg (hereafter referred to as the University). The final authority for the Centre is vested in the Council of the University.

3. VISION

The Centre shall be dedicated to basic, applied and strategic research in sport studies within social and management sciences and to deliver services through consultancy, education and training, as well as contract research. The Centre’s raison d’être shall be consistent with the University and higher education’s broader mission and will strive to be a leading research and social development site in Africa with links with Olympic Studies Centres and scholars across the globe.

The Centre’s research agenda will connect with the needs of local communities and the larger society in a changing regional and global context. It shall aim to contribute to improvements in service delivery, policy debate and in the expansion of knowledge through cutting edge disciplinary and inter-disciplinary research.
4. GOALS

The goals of the Centre relate to teaching, research, resource development and strategic partnerships in order to:

4.1 Develop and deliver quality education and training programmes.
4.2 Promote dialogue between different stakeholders involved with furthering development issues in sport through hosting seminars, conferences, workshops, think tanks and ‘action tanks’.
4.3 Develop resources in the field of Olympic Studies.
4.4 Produce quality, innovative and relevant research engaged with pressing global, pan-African, national and local sport-for-development, sport development and related managerial societal needs and priorities.
4.5 Integrate research, teaching, community outreach and networking.
4.6 Optimize research opportunities and collaborate in nationally, regionally and global identified focus areas in the field of sport.
4.7 Build strategic local, national, regional and international partnerships with academic staff and through student exchange programmes.
4.8 Engage in contract research, which will be subject to the approval of the Advisory Committee.
4.9 Apply for research funds and attracts sponsorship with the approval of the Advisory Committee.

5. MANAGEMENT OF THE CENTRE

An Advisory Committee and a secretariat will manage the activities of the Centre.

5.1 Advisory Committee

5.1.1. The Advisory Committee will consist of a maximum of five persons.
