About this guide

WiFi@UJ is the New WiFi Network Name for students, all registered UJ Students are to connect to the UJ network as well as the internet using this WiFi network name. The previous WiFi network name for students (Student_Access) has been decommissioned. Staff Members are to continue to connect using Staff_Access and guests to use the recently published Guest_WiFi@UJ. WiFi@UJ has been broadcasted to All UJ Campuses including UJ Student residences, the steps below are basic guidelines to assist with connecting to the newly publicized WiFi@UJ.
