

UJ LIBRARY'S POSTGRADUATE WORKSHOPS

May

Information on how to connect to the sessions will be shared upon receipt of your booking.

DATE	NAME OF SESSION	TIME	FACILITATOR/S	BOOKING LINK
11 May	<p>Save time and reference using RefWorks.</p> <p>RefWorks is a web-based reference management tool that can produce a standardized list of references at a click of a button! This workshop will cover the basics of navigating the new interface, organizing your citation library, creating new citations, importing citations from various databases, inserting references and creating bibliographies on Microsoft Word.</p>	14:00 – 15:30	Dorcas Rathaba	https://forms.gle/mzK5W8GyH3Tw4k_tg8

<p>12 May</p>	<p>Find it, use it and cite it! An introduction to Harvard referencing methods</p> <p>During this workshop you will learn why and how referencing is used, avoid plagiarism and learn to construct an in-text citation and reference list entry correctly.</p>	<p>10:00 - 11:00</p>	<p>Elize Du Toit</p>	<p>https://forms.gle/X32KS7Yb4fbeWoJW7</p>
	<p>Legal referencing using the TSAR Style (For Law Students Only)</p> <p>During this workshop you will learn why and how referencing is used, avoid plagiarism and learn to construct an in-text citation and reference list entry correctly.</p>	<p>11:30 - 13:00</p>	<p>Dr Marius van Staden</p>	<p>https://forms.gle/3EaytFMjMFdQWVmb9</p>
	<p>Find it, use it and cite it! An introduction to APA referencing methods</p> <p>During this workshop you will learn why and how referencing is used, avoid plagiarism and learn to construct an in-text citation and reference list entry correctly.</p>	<p>14:00 -15:00</p>	<p>Elize Du Toit</p>	<p>https://forms.gle/5utV7hja3iWGyQj3A</p>

	<p>IEEE referencing style for Engineers</p> <p>During this workshop you will learn why and how referencing is used, avoid plagiarism and learn to construct an in-text citation and reference list entry correctly.</p>	13:30 - 15:00	Prof Nnamdi Nwulu	https://forms.gle/2fyRzZ6xhcRUqok46
13 May	<p>Incorporating and acknowledging source material</p> <p>This session aims to develop an understanding of how the University of Johannesburg classifies different types of plagiarism as well as the potential consequences of this form of academic misconduct. It will explore what it means to critically engage with integrated sources and interactively engage with examples of effective paraphrase and summary. The workshop will briefly touch on direct quotation and citation, however, it will not specifically examine Harvard and APA.</p>	09:00 - 12:00	Patrick Healy	https://forms.gle/ThVXbnvtQaTWosxS8

14 May	How to access and use Turnitin In addition to demonstrating access and how to interpret similarity reports, this workshop will take a wider look at Turnitin as a developmental tool. More than just a 'plagiarism detector', how can Turnitin be used to encourage students to improve their writing and sourcing?	09:00 -10:30	Erica Pretorius	https://forms.gle/s3Hb3EAZyC2SX1Yw7
