Each course is offered in blended mode: 10% contact time, with the rest of the course offered online over approximately five months. Each course is worth 20 credit points at HEQF level 8, which equates to approximately 200 learning hours. Two Short Learning Programmes (SLPs) are offered per semester. Please consider your workload before deciding how many SLPs to register for. Please tick the box next to the name/s of the course/s for which you would like to register.

All the contact sessions are held in the Postgraduate School Seminar Room, Akanya Building, APK Campus, unless otherwise listed.

Prerequisite for application and registration: Because of the focus of the course, participants need a minimum of a Master's degree to register. **Ideally, participants should be supervising student research.** In addition, the approval of the participant's HOD is required.

Highest qualification currently held:

Documents required for application and registration:

- Certified ID or passport copy
- Certified copy of highest qualification
- An up to date CV which includes your Name, ID/passport number, email, cell phone number, qualifications, work experience and current work status.

You will be required to submit the above documents on the UJ online web application system when you apply for the course/courses you choose.

Costs: The courses are free for UJ staff in 2020, as they are funded from the DHET Research Development Grant. Each course costs R5600 for external delegates. However, should a participant register and subsequently drop out, an administration fee of R1000 can be charged against their Department.
