## GENERAL INFORMATION

More information on bursaries is obtainable from:

011 559 3761/4436

[www.uj.ac.za](http://www.uj.ac.za)

**The University reserves the right to withhold payment of a bursary and to cancel payment thereof.**

**The University bursary Policy provides for limiting multiple awards to individual students and the Staff concession Policy that limits multiple awards to one individual from the University Main Fund, shall apply.**

**Double dipping will not be allowed** (E.g. two or more awards may not be retained where the awards are all made for the same line item such as Tuition Fee Payment, Accommodation or Meals.

Students will be allowed to hold external funding in conjunction with UJ internal funding if the total of all awards does not exceed the student's full cost as determined by the university formula.

If students cancel their studies at the end of the first semester, **the second half of the bursary (in respect of the second semester) will not be paid out.**

If students cancel their studies before writing the June examinations, the bursary will be cancelled for the relevant semester: in other words, the whole UJ bursary will be cancelled.

If students who receive a bursary do not fulfil their obligations towards UJ without providing plausible reasons, the bursary will be reversed in full.

In addition to the academic performance, the internal bursary criteria take into account the financial neediness of the students.

## UJ MERIT BURSARIES

**Students who possess other internal and/or external funding that exceeds the maximum value as set by the University will not be eligible for a merit bursary. This amount will be determined by Student Finance on an annual basis and will not exceed the sum of the cost of tuition, accommodation, books, meals stationery and transport.**

**In the event that the other bursary does not cover the full cost of study for the academic year, a "top up" merit bursary will be awarded to qualifying students up to the maximum value as determined by the University**

- a) All qualifying registered students will **automatically** be evaluated for a UJ merit bursary in the specific academic year in which they register. The onus remains on the student to ensure that the bursary is allocated to his/her account by 31 August of the specific year.
- b) Only South African and SADC citizens will be evaluated for undergraduate and honours merit bursary (excluding full time students from the faculties that are recipients of UJ honours bursary)
- c) Only students studying towards a first higher education qualification will be evaluated for undergraduate merit bursary
- d) Postgraduate bursaries are awarded to all students (South African citizens and international students).
- e) Bursaries will be allocated only for degree courses and formal diploma courses. **No bursaries will be awarded for certificate, non- formal diploma, bridging, non-degree and non-subsidised courses.**
- f) Merit bursaries will only be allocated to the student's account in the second semester.
- g) Due to the fact that merit bursaries are allocated in the second semester, the student is responsible for the first minimum payment plus the April payment. Interest will be charged (as stated in the fee booklet) on overdue accounts and no interest will be reversed.
- h) It remains the responsibility of the student (if eligible) to ensure that the bursary is allocated in that specific year. Bursaries cannot be backdated (awarded in retrospect) and the onus is therefore on the student to enquire why a bursary has not been allocated to his/her student account. **If a bursary is allocated incorrectly, the University reserves the right to reverse the bursary in the year in which it is allocated.**
- i) No merit bursaries will be allocated for individual courses passed with distinction, i.e. only the credit weighted aggregate of all subjects for the full curriculum year will be taken into account.
- j) Subject to sufficient funds being available to award bursaries to all the candidates who qualify, the bursaries are awarded according to the criteria, guidelines and values of the bursaries as set out below.

- k) **All the candidates are expected to register for the number of prescribed semester/year courses for the applicable year of the curriculum.**
- l) The value of the merit bursary could be affected due to registration for more or fewer modules – it could be of lesser value or even unsuccessful.
- m) Merit Bursaries are awarded based on the academic performance of the previous year and can only be utilised for study costs.

### **3. UNDERGRADUATE BURSARIES: FIRST-YEAR STUDENTS**

*Candidates (from subsidised government schools) who provide their matriculation exam number with their application are evaluated automatically. The onus remains on the student to ensure that the bursary is allocated to his/her account by 31 August of the specific year of study.*

*Students from other universities must apply at the Bursary Office. In order to be awarded a bursary, a certified copy of the academic record must be submitted at the UJ Bursary Office as a precondition of the allocation of the bursary.*

***The University reserves the right, should circumstances be justified, to alter the criteria, guidelines and values of bursaries without prior notice to applicants. Please note that upon cancellation of studies, the UJ merit bursary may be cancelled in part or in full.***

***Students will be allowed to hold external funding in conjunction with UJ internal funding provided that the total of all awards does not exceed the student's full cost as determined by the university formula***

***The University's financial assistance will be adjusted accordingly to students who receive a small or partial scholarship (merit bursary) or a bursary from other sources other than UJ i.e. the external funding will firstly reduce the UJ funding.***

### 3.1 M-Score (All students who matriculated prior to the year 2008)

A prospective first-year student is expected to attain an M-score of at least **23 points** to be eligible for a UJ merit bursary.

**The M-Score will only be calculated based on the six best matriculation subjects obtained.**

The M-Score is calculated as follows:

<b>Symbol Obtained</b>	<b>Standard grade</b>	<b>Higher grade</b>
A (80-100%) .....	4,0 .....	5,0
B (70-79%) .....	3,0 .....	4,0
C (60-69%) .....	2,0 .....	3,0
D (50-59%) .....	1,0 .....	2,0
E (40-49%) .....	0,0 .....	1,0
A+ (90-100%) .....	5,0 .....	6,0*

\*In calculating the M-score for the additional R5485 bursary, the score value for 90% and higher will be 6, 0 for higher grade and 5, 0 for standard grade subjects.

#### **Criteria:**

<b><i>Candidate's M-Score</i></b>	<b><i>Bursary value is based on a specific curriculum's tuition fees*</i></b>
Under 23	No bursary
23 to 25	30%
26 to 28	50%
29	75%
30	100%
Higher than 30	100% + R5485

Students who qualify for an M-Score of 30 will receive only one bursary. An additional R 5485 will be awarded to students with an M-Score higher than 30. Only the six best subjects of the matriculation certificate will be taken into consideration.

\* **All other charges that are not included in the tuition fees, for example, registration fees, ICT levy, are not included in the bursary except for orange carpet students**

### 3.2 APS (All students who matriculated in the year 2008 and later)

A prospective first-year student is expected to attain an APS of at least **35 points** to be eligible for a UJ merit bursary.

**The APS will only be calculated on the six best Grade 12 subjects obtained, excluding Life Orientation and Mathematics paper 3**

The APS is calculated as follows:

<b>Symbol Obtained</b>	<b>APS</b>
A (80-100%) .....	7,0
B (70-79%) .....	6,0
C (60-69%) .....	5,0
D (50-59%) .....	4,0
E (40-49%) .....	3,0
F (30-39%).....	2,0
G (0-29%) .....	1,0

APS should be 42 and thereafter A+ will be taken into account for the following rating:

A+ (90-100%) .....	8,0*
--------------------	------

\*In calculating the APS for the additional R5 485 bursary, the score value for 90% and higher will be 8.

### Criteria regarding the new National Senior Certificate

<b>Candidate's APS</b>	<b>Bursary value is based on a specific curriculum's tuition fees*</b>
Under 35	No bursary
35 to 36	30%
37 to 39	50%
40 to 41	75%
42	100%
Higher than 42	100% + R 5485

Students with an APS of 42 will receive only one bursary. An additional R 5485 will be awarded to students with an APS of higher than 42. Only six best subjects (which will exclude Life Orientation) of the National Senior Certificate will be taken into consideration.

\* **Merit bursaries will be calculated on tuition fees only (excluding residence fees, registration fees, ICT levy and other levies).**

#### **4. UNDERGRADUATE SENIOR STUDENTS: SECOND- AND THIRD-YEAR STUDENTS**

- a) All qualifying registered students will automatically be evaluated for a UJ merit bursary in the specific academic year of study. The onus remains on the student to ensure that the bursary is allocated to his/her account by 31 August of that specific year.
- b) Students from other universities must apply at the Bursary Office. In order to be awarded a bursary, a certified copy of the academic record must be submitted at the UJ Bursary Office as a precondition of the allocation of the bursary.
- c) A student can receive a merit bursary for only three undergraduate years of study, for example, first, second and third year. Thereafter, the student can receive a bursary for an honours degree. The same applies for students who enrol for one of the following four-year courses: LLB, BEng, BOptom, BCur, BA (SocSci), etc. An undergraduate bursary will be awarded to qualifying students for the first three years and, thereafter, for the fourth year a bursary equal to an honours degree will be awarded. BEd students will only receive three undergraduate bursaries for the first three years, but will not receive one in the fourth year.
- d) ***The University reserves the right, should circumstances be justified, to alter the criteria, guidelines and values of bursaries without prior notice to students. Please note that upon cancellation of studies, the UJ merit bursary may be cancelled in part or in full.***
- e) Subject to financial resources, a number of UJ merit bursaries (second- and third-year bursaries) are made available and awarded annually.
- f) The credit weighted aggregate of the previous year's June and December university examination results (i.e. both semesters) is taken into account.

In calculation of a senior undergraduate students' weighted aggregate for the purpose of Senior Undergraduate Merit bursary, respective credit values of the candidates' various subjects are taken into account.

Only students who take the full number of modules prescribed for the year of study concerned will be considered for Undergraduate Senior Merit Bursaries.

### EXAMPLE

Year	Degree code	Subject Code	Description	Final Mark out of 100	Results	Credit Weight	Credit Weight multiplied by Final Mark	Remarks
2014	BCA012	AST2A01	ACCOUNTING STUDIES 200	79	PD	0.1	7.9	PASSED WITH DISTINCTION
2014	BCA012	GOV2AB0	GOVERNANCE AND CITIZENSHIP	78	PD	0.1	7.8	PASSED WITH DISTINCTION
2014	BCA012	IFM100	INFORMATICS 100	94	PD	0.1	9.4	PASSED WITH DISTINCTION
2014	BCA012	ACC200	ACCOUNTING 200	77	PD	0.2	15.4	PASSED WITH DISTINCTION
2014	BCA012	FMA200	FINANCIAL MANAGEMENT 200	80	PD	0.2	16	PASSED WITH DISTINCTION
2014	BCA012	TAX2AB0	TAXATION 200	83	PD	0.1	8.3	PASSED WITH DISTINCTION
2014	BCA012	AUD2B01	AUDITING 200	77	PD	0.1	7.7	PASSED WITH DISTINCTION
2014	BCA012	CML1B01	COMMERCIAL LAW 100	80	PD	0.1	8	PASSED WITH DISTINCTION
<b>Total</b>						<b>1</b>	<b>81</b>	

**Student's credit weighted aggregate is 81%**

#### 4.1 Merit bursaries: Formal diploma students (second- and third-year students)

Merit bursaries are awarded as follows:

Criteria	Bursary value
75-79% weighted aggregate	R4230
80-84% weighted aggregate	R5440
85% weighted aggregated and higher	R9060

Special merit bursaries are awarded to students who have attained 85% and higher in their previous year of university study in **all subjects** R15095

## 4.2 Merit bursaries: Undergraduate degree students (second- and third-year students)

Merit bursaries are awarded as follows:

<b>Criteria</b>	<b>Bursary value</b>
70-74% weighted aggregate	R4230
75-79% weighted aggregate	R5440
80% weighted aggregate and higher	R9060

Special merit bursaries are awarded to students who have attained 80% and higher in their previous year of university study in **all subjects**. R15 095

## 5. SRC Trust fund

A student who possesses other internal and/or external funding will not be eligible for SRC Trust funding. Preference will be given to financially needy students e.g. missing middle students.

## 6. Faculty bursaries

In awarding Faculty bursaries, in addition to academic standing, consideration will also be given to the financial neediness of the students. Faculties will obtain confirmation from Student Finance to ensure that the award does not exceed the maximum amount as set by the University. This amount will be determined by Finance on an annual basis and will not exceed the sum of the cost of tuition, accommodation, living expenses, books and stationery.

## 7. Staff Concession Benefit

Students who possess other internal and/or external funding that exceeds the maximum value as set by the University will not be eligible for staff concession benefit. This amount will be determined by Finance on an annual basis and will not exceed the sum of the cost of tuition, accommodation, books and stationery. In the event that the other bursary does not cover the full cost of study for the academic year, the staff benefit will be used as a "top up" up to the maximum value as determined by the University.

## 8. HONOURS STUDENTS

There are two categories of UJ-Honours Merit Bursaries:

### 8.1 UJ HONOURS BURSARY

Deadline: Enquire with the relevant faculty

FACULTY	DEPARTMENTS TO BE FUNDED
Art, Design and Architecture	All Honors Specialisations
Education	All Honours Specialisations
College of Business and Economics	Economics & Econometrics, Human resource Management; Industrial Psychology; Information Management; Information Technology Management; Logistics Management; Marketing Management; Public Management and Governance; Strategic Management, Tourism Development; Transport Economics
Health Sciences	Sports and Movement Studies
Humanities	African Languages; Afrikaans; Anthropology and Development Studies, English, French, Greek and Latin Studies, Historical Studies, Journalism, Film and Television, Linguistics, Philosophy, Politics, Psychology, Religion Studies, Social Work, Sociology, Strategic Communication
Science	Applied Mathematics; Biochemistry; Botany; Chemistry; Computer Science; Energy Studies; Geography; Geology; Informatics; Information Technology; Mathematical Statistics; Mathematics; Physics; Physiology; Zoology

Faculty of Engineering and Built Environment	Construction Management; Construction Project Management; Construction Health and Safety Management, Quantity Surveying, Mine Surveying; Urban & Regional Planning; Chemical Engineering; Electrical Engineering; Mechanical Engineering, Industrial Engineering; Metallurgical Engineering; Mining Engineering
--	---

The UJ Honours Bursary comprises the following:

- Full payment of tuition fees, and.
- A stipend determined by the average achieved in the third year modules in the subject of the Honours study (e.g. the average of the third year modules in Physics is used to determine the achievement category for a student who will enroll for Honours in Physics).  
The process to obtain the bursary is not automatic. Faculties nominate students based on Faculties specific criteria

### **Application process**

- Students must first submit an application to be accepted for an Honours degree within the specific departments.
- If a student is accepted or conditionally accepted in the academic department, a UJ Honours bursary application form may be obtained from the faculty representative and completed.
- Completed forms with the required attached documents must be submitted to the faculty representative. The documents to be attached are:
  - A certified copy of the applicant's ID or passport;
  - A signed and stamped letter of acceptance into an Honours programme from the relevant department;
  - A signed and stamped official academic record.
- Applications must be submitted to the relevant Faculty Officer in accordance to the deadline set by the faculty:

FACULTY	CONTACT PERSON	CONTACT NUMBER	E-MAIL ADDRESS	LOCATION
Art, Design and Architecture	Ms. Adele Maritz	011 559 1126	amaritz@uj.ac.za	Admin Office, FADA APB
Education	Ms. Lebogang Mogano	011 559 3251	<a href="mailto:lmogano@uj.ac.za">lmogano@uj.ac.za</a>	B Ring 3 (APK)

### Minimum Criteria to apply

- Accepted or conditionally accepted in the specified department to study full-time for an Honours degree in 2020;
- Entering the Honours level of study for the first time. Students studying towards a second Honours degree do not qualify;
- Students must have a minimum average of 65% in the final year major to be undertaken at Honours level in order to apply;
- Bursaries are NOT automatic. Successful students are selected by a faculty committee. The selection is based on faculty specific criteria and bursaries are awarded subject to availability of funds.

#### • Conditions

Please refer to the UJ Honours application form for conditions.

## 8.2 Honours merit bursaries

### General information

Students must register for the first time for honours/BTech/fourth year of a professional degree in the following faculties:

- Faculty of Art, Design and Architecture
- Faculty of
- College of Business and Economics Faculty of Engineering and the Built Environment
- Faculty of Health Sciences
- Faculty of Law
- Faculty of Humanities

Prospective students need to obtain a credit weighted aggregate of 70% or above in all curriculum-required subjects taken in the third year.

This bursary also applies to candidates in their fourth year of study in respect of four-year degree courses leading directly to master's degree studies, for example, BEng 4, BCur 4, LLB 4 and B Optom 4. In respect of students following four-year degree courses leading directly to master's studies, all the subjects of the previous year are taken into consideration in the calculation and determination of the average percentage.

Students enrolled for qualifications covered under honours bursary are not eligible for UJ merit bursary

A bursary is awarded only once.

<b>Criteria</b>	<b>Bursary value</b>
70-74% weighted aggregate	R6 580
75% weighted aggregate and higher	R8 770

Students studying in the Faculty of Engineering and the Built Environment who obtained an average percentage of 65% and higher in majors in the third year of study can apply for a merit student assistantship of R4 000. This assistantship will be subject to a minimum of four hours assistance per week within the appropriate department. Applications must be submitted to the appropriate department.

### Process

- Bursaries are allocated automatically, to continuing UJ students

- Students from other universities must submit a certified copy of the academic record at the UJ Bursary office as a pre-condition of the allocation of the bursary.

### **Conditions**

- The University reserves the right, should circumstances be justified, to alter the criteria, guidelines and values of bursaries without prior notice to applicants.
- Bursaries are paid subject to sufficient funds being available to award bursaries to all candidates who qualify.
- Please note that upon cancellation of studies, the full bursary will be cancelled, and the student is liable for paying back the bursary. Postgraduate students are expected to complete their studies to avoid the implementation of the above regulation.
- Students have to complete their honours degree within one year.

### **Please note:**

***In order to be awarded a bursary, Students from other universities must submit a certified copy of the academic record as a precondition of the allocation of the bursary.***

## **9. MASTER'S AND DOCTORAL STUDENTS**

Postgraduate students will automatically be added on u-Link under the Postgraduate School Research and Development Forum, If students have not yet been added on the programme, they are welcome to send the request to be added on the module by providing full names and student number to [uhelp@uj.ac.za](mailto:uhelp@uj.ac.za).

### **9.1 Types of bursaries/awards**

In general, two categories of bursaries are available and are differentiated by the manner in which they are allocated to the students – either as a bursary via the research supervisor (as part of a project grant) or directly to the student. Specifically, the two kinds of UJ postgraduate bursaries available are:

- **UJ Supervisor-Linked bursary** which takes the form of a bursary provided to a supervisor as part of a grant for a research project or programme, with the supervisor and/or the faculty deciding to which student to award the bursary.
- **UJ Merit Award** which is awarded directly to the student in response to his/her application submitted to the Bursary Office by latest 15 August. The focus is entirely based on the historical academic performance of the student.

## 9.2 UJ Merit Award

### Master's level (Full-time and part-time)

***Bursaries for students at master's level will be allocated on application, upon receipt of their final honours marks. Students from external institutions must attach a certified copy of their academic record.***

Master's (full-time and part-time)

A full bursary per annum for a maximum of two years. (Application forms obtainable from the Bursary Office). **Closing date is 15 August of the specific academic year.**

### **Examination achievement at honours/BTech level:**

<b>Criteria</b>	<b>Bursary value</b>
70-74% average	R 7 130
75% average and higher	R10 960

Students studying in the Faculty of Science and the Faculty of Engineering and the Built Environment who obtained an average percentage of 65% and higher in the honours year of study can apply for a merit student assistantship of R6 000. This assistantship will be subject to a minimum of four hours assistance per week within the appropriate department. Applications must be submitted to the appropriate department.

### Doctoral level

***Bursaries for students at doctoral level will be allocated on application and upon receipt of their final master's marks. Students from external institutions must attach a certified copy of their academic record.***

Doctoral (full-time and part-time students)

A bursary per annum for a maximum of three years. (Application forms obtainable at the Bursary Office). **Closing date is 15 August of the specific academic year.**

### **Examination achievement at master's level:**

<b>Criteria</b>	<b>Bursary value</b>
70-74% average	R10 970
75% average and higher	R16 460

Students studying in the Faculty of Science and the Faculty of Engineering and the Built Environment who obtained an average percentage of 65% and higher in the masters year of study can apply for a merit student assistantship of R12 000. This assistantship will be subject to a minimum of four hours assistance per week within the appropriate department. Applications must be submitted to the appropriate department.

### **Bursaries administered by the Postgraduate Funding Support Section**

The following bursary opportunities are administered by the Postgraduate Fund Management (PFM) section of the UJ Postgraduate School (PGS). The purpose of the PGS is to:

- Coordinate, extend and enhance the postgraduate support systems;
- Assist the university in attracting, training and delivering quality postgraduate students; and
- Increase the number of postgraduate students (Masters and Doctoral).

The PFM section has the main sources being NRF and the URC. The NRF funding provided to students includes Freestanding, Grant holder-linked and Block Grant awards. The URC funding comprises various postgraduate scholarships as well as the central Postdoctoral Research Fellowship (PDRF) funding.

The PFM comprises of six staff members, Mr Praveen Singh, Ms. Dudu Mbatha, Mr Tshediso Msibi, Mr Mautle Mothapo, Mr Fulufhelo Davhana and Mr Thabiso Masango.

All bursaries and scholarships may also be viewed on the UJ website under Postgraduate webpage: [www.uj.ac.za/postgrad](http://www.uj.ac.za/postgrad).

### 9.3 INTERNAL FUNDING

#### 9.3.1 SUPERVISOR-LINKED BURSARY

Type of bursary	Eligibility	Value	Application process	Closing date																														
<b>Supervisor-Linked bursary</b>	Determined by relevant faculty and supervisor	R7 200 (Master's full-time)  R3 600 (Master's part-time, if awarded)  R13 200 (Doctoral full-time)  R6 600 (Doctoral part-time, if awarded)	Students should approach their prospective master's or doctoral supervisors or the respective faculty representatives (see table below). <table border="1" data-bbox="976 469 1823 1295"> <thead> <tr> <th data-bbox="976 469 1258 544">Faculty</th> <th data-bbox="1258 469 1559 544">Contact person</th> <th data-bbox="1559 469 1823 544">Contact no.</th> </tr> </thead> <tbody> <tr> <td data-bbox="976 544 1258 619">Art, Design and Architecture</td> <td data-bbox="1258 544 1559 619">Ms Adele Maritz</td> <td data-bbox="1559 544 1823 619">011 559 1126</td> </tr> <tr> <td data-bbox="976 619 1258 730">Economics and Financial Sciences</td> <td data-bbox="1258 619 1559 730">Mr Nathaniel Mudzunga</td> <td data-bbox="1559 619 1823 730">011 559 4630</td> </tr> <tr> <td data-bbox="976 730 1258 805">Education</td> <td data-bbox="1258 730 1559 805">Ms Belinda Tshidumo</td> <td data-bbox="1559 730 1823 805">011 559 2280</td> </tr> <tr> <td data-bbox="976 805 1258 917">Engineering and the Built Environment</td> <td data-bbox="1258 805 1559 917">Ms Dudu Kanyi</td> <td data-bbox="1559 805 1823 917">011 559 2109</td> </tr> <tr> <td data-bbox="976 917 1258 992">Health Sciences</td> <td data-bbox="1258 917 1559 992">Ms Ralihaanah pieterse</td> <td data-bbox="1559 917 1823 992">011 559 6073</td> </tr> <tr> <td data-bbox="976 992 1258 1067">Humanities</td> <td data-bbox="1258 992 1559 1067">Ms Deon Botman</td> <td data-bbox="1559 992 1823 1067">011 559 4301/5516</td> </tr> <tr> <td data-bbox="976 1067 1258 1142">Law</td> <td data-bbox="1258 1067 1559 1142">Ms Phaladi Magongoa</td> <td data-bbox="1559 1067 1823 1142">011 559 3843</td> </tr> <tr> <td data-bbox="976 1142 1258 1217">Management</td> <td data-bbox="1258 1142 1559 1217">Prof Charlene Eloff</td> <td data-bbox="1559 1142 1823 1217">011 559 2033</td> </tr> <tr> <td data-bbox="976 1217 1258 1295">Science</td> <td data-bbox="1258 1217 1559 1295">Ms Liezel van Greune</td> <td data-bbox="1559 1217 1823 1295">011 559 3751</td> </tr> </tbody> </table>	Faculty	Contact person	Contact no. ### 9.3.2 UJ Alumni

The UJ Alumni Network have available opportunities for alumni and postgraduate students. By being active contributing alumnus and post-graduate, you will be able to take advantage of a number of excellent opportunities and discounts. The benefits of your alumni membership are on-going, and it is the aim of the university to continually source new ways to benefit past graduates in exciting and fulfilling ways. *(The UJ Alumni association has opportunities available for postgraduate students. By being an active and contributing alumnus and postgraduate, you will be able to take advantage of a number of excellent opportunities and discounts. The benefits of your Alumni memberships are ongoing, and it is the aim of the University continually to source new ways to benefit postgraduates in exciting and fulfilling ways).*

UJ-Alumni Benefits Alumni members registering for post-graduate curricular courses at UJ (separate application to be handed in at the Alumni Office, terms and conditions apply) will be entitled to R1 000 discounts. A 10% discount on residence and tuition fees for all children of contributing alumni who register for undergraduate curricular courses at UJ (separate application to be handed in at the Alumni Office, terms and conditions apply). Access to bursaries for contributing alumni and their children (separate application to be handed in at the Alumni Office, terms and conditions apply). The opportunity to become part of an Affinity Group. Groups are organized specifically around a special interest or unifying purpose, helping to keep alumni with similar mindsets in touch with the University and creates networking opportunities. Being part of Convocation (calling together). It is the primary channel for your opinions as UJ alumni to be passed back to UJ for consideration. In short, Convocation is the official interface between the University and its alumni. The Alumni Network created a job search portal to assist alumni members and students looking for new career opportunities. The system constantly scans all South African job websites to allow you to find new opportunities. Please visit [www.ujalumni.co.za](http://www.ujalumni.co.za) and click on resources for more information. For more information, please visit the Alumni portal on [www.ujalumni.co.za](http://www.ujalumni.co.za) or contact Ms Kopano Manoto, the Alumni Office on 011 559 5531 or email [kopanom@uj.ac.za](mailto:kopanom@uj.ac.za)

## 9.4 Conditions and guidelines

**In addition to academic performance, financial neediness of the student should be taken into consideration when allocating a UJ Supervisor linked bursary. Students who possess a full bursary that covers the full cost of study for the academic year in equal to or in excess of the maximum value as set by the University will not be eligible for SLB.**

**As with the Merit bursary above, the SLB will only ‘top up’ to the maximum value as determined by the university.**

- The allocation of UJ merit bursaries to master’s and doctoral students is not automatic. Students must apply each year of their master’s or doctoral study as the criteria may change from year to year.
- The University reserves the right to differentiate the bursary amounts across various faculties for the Supervisor-Linked bursaries.
- The allocation of UJ Supervisor-Linked bursaries to master’s and doctoral students is not automatic. Supervisors and faculties have the right to review the award in subsequent years, depending on performance.
- The university reserves the right to claim back or cancel any bursaries awarded in the event that a master’s/doctoral student fails to register for the following year or cancels his/her studies immediately.
- The university reserves the right to claim back or cancel any bursaries awarded in the event that a master’s student fails to complete the degree within three years or a doctoral student within five years, or in the event of a unilateral cancellation of registration.
- Students who register for non-degree purposes do not qualify for the allocation of any UJ bursaries.
- In the event of taught master’s programmes, the candidates are expected to register for the prescribed number of semester/year courses for the applicable year.
- The university reserves the right, should circumstances be justified, to alter the criteria, guidelines and values of bursaries without prior notice to applicants.
- Subject to sufficient funds being available, merit bursaries are awarded according to the criteria, guidelines and values of awards as set out in the table below.

- In the case of a full-time student, it is a condition of the UJ Supervisor-Linked bursary that the department and/or faculty may expect the student to engage in an academic activity designed to enhance the development of the student's academic and/or research skills further. The nature of this activity will be defined by the department, which will negotiate with the student on the ideal time at which it is to be performed – by mutual agreement this may be during the term or during vacation, but it will in any event not exceed twelve hours per week,
- Full-time UJ staff, spouses or children of staff who receive the fees remission benefit are not eligible for Supervisor-Linked bursaries.
- The university sets limit each year on the maximum value of bursaries that a student may hold per level of student. The total number of bursaries and scholarships that a student may hold at the university will therefore be subject to the maximum values as determined by the university management. Students are therefore required to declare all internal or external funding awarded during the year. Failure to declare such funding will be considered fraudulent.

## **10. EXTERNAL FUNDING (NATIONAL RESEARCH FOUNDATION (NRF) POSTGRADUATE BURSARIES)**

The NRF is South Africa's major research funding agency that provides grants to researchers undertaking research projects (grant holders) as well as scholarships/bursaries to support honours, master's and doctoral students with a research component of at least 50%.

For queries and additional information on NRF bursaries, please contact the Postgraduate School (PGS) on 011 559 3780/4530 or email [pgfunding@uj.ac.za](mailto:pgfunding@uj.ac.za).

### **10.1 Types of bursaries**

The NRF administers two types of student funding support through its various funding instruments:

Free-standing scholarships and fellowships: The student or fellow individually apply for support and is responsible for reporting on the utilisation of funding. § Grant holder linked bursaries: The grant holder applies for NRF funding and nominates the student or fellow for support under his/her research project funding. Freestanding scholarships and fellowships will be awarded directly to students undertaking **full-time** study toward a research degree, on a competitive basis. Students must apply for these awards themselves at set times during the year and they remain responsible for the reporting on the utilisation of funding.

Grant holder-linked assistantships and bursaries will be granted to researchers within their NRF grants and may be awarded to students selected by NRF grant holders who are linked to the grant holders' research plans, subject to eligibility.

## 10.2. Periods of support

- Final-year undergraduate assistantships 1 year (for grant holder-linked bursaries only)
- Honours degree/B-Tech 1 year
- Master's degree full-time 2 years\*
- Master's degree part-time 3 years (for grant holder-linked bursaries only)
- Doctorate full-time 3 years\*
- Doctorate part-time 5 years (for grant holder-linked bursaries only)

\*When registration for a master's degree is upgraded to doctoral study, the maximum period of NRF support for masters' and doctoral study will be four years in total. A scholarship awarded for master's study cannot be upgraded to doctoral status if the master's study is upgraded. Candidates must apply timeously for a scholarship by the applicable closing date.

## 10.3. Conditions and guidelines

Please refer to the 2020NRF student support manual for the conditions of and additional information on the NRF bursaries. The NRF manual is available on the website: <http://www.nrf.ac.za/.php>.

A summary of the types of NRF bursaries is listed in the tables to follow.

Applicants may cancel their applications without any obligation to the NRF. Doubts regarding prospective studies should therefore not prevent candidates from submitting their applications on time.

## 10.4 HONOURS STUDY

Type of scholarship	Criteria	Value	Application process and closing dates
<b>NRF Free Standing Honours scholarship</b>	<ul style="list-style-type: none"> <li>• SA citizens</li> <li>• Full-time study</li> </ul>	R30 000	<p><b><u>Application are submitted online:</u></b>  <b><u><a href="https://nrfs submission.nrf.ac.za/nrfmkii/">https://nrfs submission.nrf.ac.za/nrfmkii/</a></u></b> <b><u>Applications open: May Internal and System closing date: November ~ For further information, contact Postgraduate Fund Management (PFM) on 011 559 4530/3780/3287 or email <a href="mailto:thabisom@uj.ac.za">thabisom@uj.ac.za</a> or <a href="mailto:tmsibi@uj.ac.za">tmsibi@uj.ac.za</a></u></b></p>

### 10.7 MEDICAL RESEARCH COUNCIL

The Medical Research Council (MRC) main focus relates to research on Biomedical and to develop appropriate research capabilities across the full spectrum of health research. The health research priorities in South Africa relates to HIV and AIDS (including SAAVI); tuberculosis; malaria; cancer; African traditional medicine and drug discovery; genomics, proteomics and computational biology; nutrition; crime, violence and injury; women, maternal and child health; cardiovascular and metabolic diseases; mental health and functional disorders as well as the policy and implementation.

Level of study	Value	Criteria	Application process and deadline

Failure to comply with the requirements will result in the application not being reviewed

More information postgraduate funding opportunities is available online at <https://www.uj.ac.za/postgraduate-school/Pages/Funding-for-Postgraduate-Studies.aspx>

## 11. CULTURAL BURSARIES

Awards may be made to students who achieve satisfactory academic results and who perform exceptionally in culture.

All cultural bursaries are subject to *bona fide* study, with the understanding that:

- Bursaries can be made available only to candidates who are registered at UJ as *bona fide* students;

- Bursaries can be paid out only to *bona fide* students.

Financial need will not be taken into consideration in the allocation of a bursary. When *bona fide* students apply for reallocation, preference will be given to students who have at least maintained the standard on which the original allocation was based. Applications from *bona fide* students who have not previously received a bursary and who perform excellently in cultural activities in the following year are also considered for a bursary.

Cultural bursaries may be retained together with academic UJ merit bursaries.

**Application forms for cultural bursaries are available on request from the Cultural Office, T110, UJ Arts Centre, 011 559 2034.**

**A student may qualify for more than one bursary.**

A bursary will be awarded for one year only and applications for renewal must be submitted annually before the closing date on the prescribed application form.

## **12. SPORT SCHOLARSHIPS**

### **12.1 APPLICATION PROCEDURE**

A scholarship application form can be obtained from the UJ Sport Bureau or via the University of Johannesburg website – [www.uj.ac.za/ujsport](http://www.uj.ac.za/ujsport)

Applications must be submitted to the UJ Sport Scholarship Coordinator, by hand, via electronic mail or post on or before 30 September each year for the following year. 42

## **12.2 GENERAL RULES**

Only applicants who are deemed *bona fide* student-athletes are eligible to apply for a sport scholarship. A *bona fide* student-athlete is defined as:

- A student who is officially registered at a higher education institution recognised by the appropriate national academic authority in the country (i.e. Department of Higher Education and Training) for a programme of at least 120 SAQA credits on NQF Level 5 and approved by that institution's senate. This includes bridging courses, although only one (1) attempt at completing any bridging course will be allowed at any institution.

This excludes students who are enrolled for short courses or are registered for courses, modules or units of study that are less than 120 SAQA credits.

- A student actively involved in pursuing his/her academic career, i.e. attending lectures, submitting assignments, writing tests and examinations in order to be promoted to the next level of study.

This definition encompasses students studying towards an undergraduate national diploma/degree or postgraduate degree. The definition may also apply to some 3-year diploma courses.

- Students registered for a certificate course are not eligible for any form of sport scholarship.

For queries, please contact Marianne Viljoen on 011 559 3362 or at mariannev@uj.ac.za

## **13. BURSARIES TO MEMBERS OF REPRESENTATIVE COUNCILS OF SCHOOLS**

All presidents, vice-presidents, secretaries and treasurers from high schools/colleges enrolling at the University of Johannesburg as full-time, first-year students receive an additional once-off bursary of R1 650 – awarded for leadership.

The principal of the school/college must confirm the position of president, vice-president, secretary or treasurer in writing before the award will be made.

## **14. Three Children” Rebate**

The University award a 10% rebate on tuition fees where three or more children from the same family are studying at the University simultaneously.

## 15. EXTERNAL SPONSOR BURSARIES AND LOANS

In order to be considered for a bursary that is administered and awarded by the University of Johannesburg, applicants complete **only one UJ bursary application form**.

If you are applying for more than one bursary administered and awarded by the University of Johannesburg (i.e. only bursaries with UJ addresses), you may – on a separate page – list the bursaries in alphabetical order for which you would like to be considered and send this list to the University, together with **one bursary application form**. Only one third-party bursary can be awarded per candidate.

Applications must reach the Bursary Office on the respective campuses by no later than **15 November** annually of the year preceding study. Late applications will not be considered.

Applicants may cancel their applications without any obligation to the University. Doubts regarding prospective studies should therefore not prevent candidates from submitting their applications on time.

These bursaries will be considered only after the June examinations and the results will be announced soon thereafter.

Applications from postgraduate students are considered as soon as the examination results of the previous degree course are known, after which candidates are informed of the outcome thereof. Applications from those applying for a bursary for the second or third year of study in a postgraduate degree course (for which examination results are therefore not applicable) are assessed on the results of the progress reports from supervisors and heads of departments about their interim progress.
