STUDENT FEES 2021

STUDENT FEES

1. How payment can be effected

- 1.1 Payment may be made at the official cashiers of the University of Johannesburg (UJ). Office hours are from 08:30 to 15:30 Monday to Friday.
- 1.2 Credit cards and debit cards are accepted. No postal or money order payments, cheques or any cash payments will be accepted.
- 1.3 Students and parents can use the debit order system whereby the outstanding balance (with the exception of the first minimum payment), can be paid in eight equal instalments from 1 March to 1 October. This method of payment has the following advantages:
- Payments can be made over an eight-month period, leaving the student/parent with a better cash-flow situation.
 - No interest is levied as long as the debit order is honoured.
 - Payments cannot go astray.
 - It saves time.
- 1.4 Payments can also be made at any FNB branch.

Direct payments made at FNB and FNB ATM to the UJ bank account will reflect on the student account within 15 minutes. Electronic Fund Transfers (EFTs) from banks other than FNB might take up to two days to reflect on the student account. EFTs from outside the country take longer and students must allow at least 10 days for allocation of the funds.

The FNB Student Fee Account of the University is set up as a predefined beneficiary at all major banks and you therefore do not need the actual bank account number to make a payment, just select the UJ Tuition Fee Account as a beneficiary. The banking details are as follows:

Account Name:	University of Johannesburg	Branch:	Client Services
	UJ Tuition Fee Account	Branch Code:	210-554
Account Number:	62615873199	Swift Code:	FIRNZ AJJ
Account Type:	Cheque Account		

Students must write their names and student numbers clearly in block letter on the deposit slip. A copy of the slip must be either faxed to 011 559 2866, or emailed to studentaccounts@uj.ac.za. Students must also keep a copy for their own records for at least two years.

IMPORTANT NOTE: *The University encounters numerous problems with bank transfers. Therefore, students and parents are requested to provide the University with copies or faxes of the bank deposit slips when bank transfers are made.*

1.5 E-payments

Students and parents can pay their tuition fees online through the website: www.uj.ac.za by using their valid credit/cheque card.
