CONSENT TO COLLECT AND PROCESS PERSONAL INFORMATION AS PER THE PROTECTION OF PERSONAL INFORMATION ACT (POPIA):

I understand that I need to give you some of my personal information when I apply to study at the University of Johannesburg. Personal information is any information that can identify me as an individual. This statement tells me about my rights to my personal information. It also tells me about your rights to the personal information that I give you and that you get from others.

I give you my personal information with my consent. I also consent that you may get personal information that you need to consider my application from others. If I am under the age of 18 years, the law treats me as a minor. You then also need the consent of the person who may legally consent to actions or decisions concerning me. So I promise that I would submit my application with such consent, if it is needed.

You need to consider whether I meet the selection and admission requirements to study at your University. I must therefore give you information about my academic qualifications and my academic performance. This information includes information about my results from educational institutions that I attend at present or attended in the past. It may also include my National Benchmark Test scores.

You will get the information from me or from others (for example, the Department of Basic Education or other educational institutions). When you get information from others, you will need to give them some of my personal information. I consent and agree to this.

I give you my personal information voluntarily. I understand that you have to have my personal information to process my application. I also understand that you cannot deal with my application if I do not give you the personal information you need.

I may ask you to tell me whether you have personal information about me. You have to answer me free of charge.

I may object or protest that you process my personal information. You have to do what I ask. However, that will end my application.

I may ask you to destroy, correct, delete or update my personal information. I must do so by filling in Form 2 that I can find in the Regulations relating to the Protection of Personal Information, 2018. You have to do what I ask, unless the law requires you to keep the information that you have. There may also be another justifiable reason for you to keep the information. I understand that if I ask you to delete or destroy my personal information, you will no longer have the information that you need to deal with my application. If this happens, it will end my application.

You may ask me for other personal information and documents to:

- deal with my application;
- verify information;
- report to others; or
- audit your records.

For example, if I am currently in Grade 12, you may ask me to give you certified copies of my final Grade 11 results.

If my application is successful, I will need to register at the University to study. You will need me to provide you with more personal information when I register. You will then give me a personal information statement about registrations.

Further to the above consent, I understand that my personal information is also protected in terms of section 50 of the Electronic Communications and Transactions Act 25 of 2002 (ECT Act). In terms of section 51 of the ECT Act, I hereby provide my express written permission to UJ for the collection, collation, processing and/or disclosure of any of my personal information, without prejudice to other legal grounds upon which UJ is permitted or required to do so.
