

Caeleigh King

Caeleigh completed her internship at the APB biokinetic clinic in 2012 after completing her studies at Wits. Caeleigh has been a practising biokineticist for 10 years with experience in private practice. Caeleigh returned to UJ in 2016 and has been the manager at the DFC biokinetic clinic since January 2021. Caeleigh has experience in orthopaedic and neurological rehabilitation. She is currently completing her masters in Biokinetics examining the prevalence, perceptions and knowledge about concussion in premier league hockey. Caeleigh currently plays club tennis, hockey and golf.
