Compounding and Dispensing Course

for Allied Health Professionals 2024

Subject to the provisions of section 22C of the Medicines and Related Substances Control Act, Act 101 of 1965 read together with Regulation 18 of the same Act, practitioners are required to apply for a Compounding and Dispensing License from the Director-General of the Department of Health.

This course is open to all homeopaths, TCM practitioners, and homeopathic interns from UJ and DUT that are registered with the Allied Health Professions Council of South Africa (AHPCSA).

The Department of Complementary Medicine at UJ is a registered provider of the South Africa Pharmacy Council (Certificate registration no. R10044) approved and accredited *Dispensing and Compounding Course for Allied Health Professionals*.

The short learning program (SLP) is a 6-month online learning program, with seven modules consisting of:

- Five theory modules
- A general dispensing module, and
- A discipline-specific module for compounding for i) Homeopaths or ii) Chinese Medicine & Acupuncture

Successful completion of the course will require an overall pass mark of 60% comprised of:

- Seven online assessments that can be completed in your own time during the first 5 months of the course

- An exit portfolio (submitted in the 6th month) *
 - A final online assessment (completed during the 6th month) * and
 - An on-campus compounding and dispensing practicum in September 2024 *
- * date to be confirmed

Application and registration for the SLP opens on 1 March 2024.

The course commences online on 2 April 2024.

A maximum of 30 candidates can be accommodated per SLP intake.

Course fee: R 5110.00
