

DEPARTMENT OF EMERGENCY MEDICAL CARE

Vision Statement

An internationally recognized academic centre of excellence in emergency care

Mission Statement

Through excellence in teaching, learning, research and community engagement the Emergency Medical Care Department at the University of Johannesburg strives to:

- Dynamically influence, lead and transform the emergency care profession through the development of competent healthcare professionals;
- Develop responsible citizenship through the promotion of caring and ethical behavior;
- Facilitate lifelong learning that supports continued clinical excellence and professionalism in emergency care that is both locally applicable and internationally aware.
