**MOSHAL SCHOLARSHIP PROGRAM**

**MEET**  
Martin Mwaza

What does it mean for you to be on the Moshal Scholarship Program?  
Personally, it feels like I have an additional family that wants to see me succeed and become that best person I can be. They help to represent the lives of everyone in the program and the future they will have. It means that you are a part of an amazing program that strives to help those in need financial support in the tertiary education field.

What are the benefits of being on the program?  
The privilege to work with those who are passionate about their studies with the added benefit that they guide us through almost everything we will experience after high school. They commiserate look at the future of all their scholars.

Why would you encourage others to apply for the Moshal Scholarship program?  
Scholarship is a life-changing experience especially when you think about the financial side. Moshal makes sure that your only focus is doing well in your studies.

What does it mean for you to be on the Moshal Scholarship Program?  
Being a Moshal Scholar does not end at a university. It is a life-long journey and it gives hope for a brighter future.

What are the benefits of being on the program?  
After you get selected into the Moshal program, they not only support you financially, but they give you extra support throughout the course, not only academically but also psychologically and emotionally. They literally become your second family.

Why would you encourage others to apply for the Moshal Scholarship program?  
They want to see you become a leader in your field.

**MEET**  
Martin Mwaza

What does it mean for you to be on the Moshal Scholarship Program?  
It's really a great opportunity.

What are the benefits of being on the program?  
You become part of the Moshal family throughout your university career and beyond. It doesn't just pay your fees but the program offers additional support and teaches you vital skills, like interview skills etc.

Why would you encourage others to apply for the Moshal Scholarship program?  
I would encourage someone to apply for the Moshal Scholarship program.

**Background**  
The Moshal Scholarship Program was founded in 2010, by Martin Moshal. The Program operates in South Africa and Israel.

**Our Vision**  
Moshal Scholars using their university education and values to make a major difference to their lives and the lives of their families, their communities and the wider world.

**Application information 2021**  
If you are determined and driven to work towards your goals and ambitions, If you are passionate about changing not only your future but that of the community you belong to, then we invite you to apply for the Moshal Scholarship Program.
