UJ's Department of Accountancy is a leader in Accounting Education. We offer a full range of cutting-edge academic programmes in the fields of Accounting, Auditing, Financial Management and Taxation. Our programmes are distinctly focused on the development of well-rounded individuals by preparing graduates to be critical thinkers and enablers in the 4th Industrial Revolution. Major national and international professional bodies, including SAICA, CIMA, ACCA and SAIPA, accredit our prestigious programmes.

The Department is continuously producing outstanding results in professional examinations.
