

Shoprite Group Bursary Opportunity 2022/2023:

The Shoprite Group offers comprehensive bursaries to support students studying or intending to study scarce skills such as Food Science, Pharmacy, Chartered Accounting, Supply Chain & Logistics as well as Information Technology, E-commerce, and Retail Business Management.

Shoprite's bursaries provide financial assistance towards tuition and on-campus accommodation and are also linked to a work-back agreement – ensuring job opportunities upon graduation.

Shoprite offers a wide range of exciting jobs opportunities at various offices around Africa, vacancies in-store, as well as opportunities through programmes such as apprenticeships at its Data Science Academy and SAP Retail Academy. As a leading employer in South Africa, the Shoprite Group welcomes hard-working and passionate individuals to join us in becoming the best retailer in the world.

Various Bursary Opportunities in the following Fields of Study:

Data Science
SAP Retail/Information Systems
Accounting (CA Stream)
Food Science
UI Design
Pharmacy
Retail Business Management
Supply Chain & Logistics

Minimum requirements:

- Must be registered full-time student
- Students in their 1st (only Pharmacy & RBM), 2nd, 3rd and 4th academic year
- 60% - 65% academic aggregate
- South African citizen
- 27 years old and younger

Applications are only done online via the following link:
