

Faculty of Science Soweto Science Centre 2023 Learner Enrichment Program

APPLICATIONS OPENING SOON!

The Soweto Science Centre's Learner Enrichment Program offers extra tuition classes to Grade 10, 11 and 12 learners on Saturdays and school holidays.

Subjects:

- Physical Science
- Chemistry
- Mathematics
- Life Science

Applications:

Applications for 2023 will open on 1st October 2022 and close on 31 January 2023. Application forms can be downloaded on the Soweto Science Centre website, <https://www.uj.ac.za/faculties/science/soweto-science-centre/>

Annual Fee:

The annual fee is R1500 for 2023.

Schedule for Classes, Tutorials and Practicals:

- Classes include laboratory experiments and mathematics tutorials, which are facilitated by science professionals.
- Learners will also have access to the Soweto Science Centre's physics, chemistry and life science labs.
- Classes will be hosted at the Soweto Science Centre on a rotational basis every Saturday (07h55 -15h00) and during school recess (07h30 – 15h00).

Other Activities:

- Career guidance, expo exhibitions, excursions, science competitions, olympiads and public lectures.
