

TENDER - T UJ 17/2020 APPOINTMENT OF A PANEL OF SUPPLIERS FOR THE SUPPLY OF PPE ITEMS

BACKGROUND

With the advent of the worldwide Covid19 pandemic and the National State of Disaster proclaimed by His Excellency, President Ramaphosa; the University of Johannesburg's staff and students (*referred to here as UJ Community*) have been working and studying remotely respectively. As the lockdown stages are eased by the President; the UJ Community physically returned to campus in a carefully managed approach and strictly complying with the rules and regulations from the National Government.

Furthermore this has raised the need to provide personal protective equipment (PPE) to staff and student who are operating in the campuses. The specifications for this tender was approved by UJ Primary Health Care and Occupational safety departments.

In line with the University Delegations of Authority, the Evaluation committee recommended that suppliers in the table below be appointed for the tender T UJ 17/2020 Appointment of a Panel of Suppliers for the Supply of PPE items. This panel of suppliers will be rotated fairly as and when there is a need. This panel would be appointed for period of 10 months, commencing from the 1st of September 2020 until 30 June 2021.
