- 1.2 The Postdoctoral Research Fellow indicated on the first page of this agreement.

## 2. PREAMBLE

- 2.1 Postdoctoral Research Fellowships ("PDRFs") are awarded to individuals who have completed a doctorate to enable such individuals to continue their post-doctoral studies in a particular field of expertise and are, therefore, used to enhance their knowledge, intellect and expertise. The purpose of a Postdoctoral Research Fellow ("PDRF") is to do research and to publish such research in accredited journals or conference proceedings. The norm is the publication of two accredited research units as determined in terms of the Research Output Policy published by the Minister of Higher Education and Training. A Postdoctoral Research Fellowship is also designed to fast track the academic research career of the PDRF.
- 2.2 The doctorate should have been obtained within the last five (5) years and the candidate for a PDRF should be under the age of 45 years.
- 2.3 Universities South Africa (USAf) represents all the public universities in South Africa.
- 2.4 USAf has adopted a best practice policy pertaining to PDRFs ("the Policy"). The Policy contains the rules and procedures to be followed by the Universities in respect of the funding and advertising of PDRFs, the requirements and application process for PDRFs, and the process to be followed in awarding, accepting, payment and extension of a PDRF. All public universities have indicated that they will grant PDRFs based on the Policy.
- 2.5 SARS made a binding class ruling for a period of 5 years in terms of section 78(3) of the Tax Administration Act of 2011 ("the Binding Class Ruling"). In terms of the Binding Class Ruling the awards granted by universities to a PDRF must meet all the statutory requirements of a *bona fide* bursary as contemplated in Section 10(1)(q) of the aforesaid Act.
- 2.6 This Agreement outlines the general conditions of the award and the research to be undertaken as required by the Policy and the Binding Class Ruling.

- 7.1 **PDRFs are awarded for a period of up to two (2) years commencing from the first date of appointment by UJ, and are at all times subject to funding which is considered and provided on a year-to-year basis. PDRFs are required to re-apply for renewal of a fellowship at least two months prior to the lapsing of the first year in order to be considered for the second year funding. If a fellowship is renewed, PDRFs are thereafter required to re-apply annually for renewal of a fellowship at least two months prior to it lapsing. Renewal of fellowships are based on satisfactory research productivity as measured against the signed agreement pertaining to the research to be undertaken for purpose of the Agreement, availability of funds, and the PDRFs success/attempt in securing external funding. Beyond two years, a renewal may be considered under exceptional circumstances only which will require the supervisor and the Executive Dean to submit a motivation to the Executive Director of Research and Innovation.**
- 7.2 **Notwithstanding the date(s) of signature hereof, this agreement will commence on the undermentioned commencement date, which date has to be the first day of a particular month; and will continue in force, unless prematurely terminated in accordance with a provision of this Agreement, until the undermentioned termination date.**

7.2.1 Commencement date:

7.2.2 Termination date (12 calendar months)

7.3 Nothing in this Agreement shall be construed as an offer or undertaking on the part of UJ to automatically renew this Agreement, after the due termination thereof on the termination date specified above, for any further period.

7.4 The Agreement may be renewed through the submission of an application for renewal using the prescribed template, which will be considered by the Faculty before being submitted to UJ-PGS for further consideration. Neither Party may act as the agent of the other Party nor incur any liability on behalf of the other Party.

8.4 A PDRF is nevertheless required to comply with the codes of conduct as applicable to students and staff, with the necessary amendments. Should a PDRF act in breach of such codes, the Deputy Vice Chancellor responsible for research may determine whether disciplinary proceedings against the PDRF may be instituted in accordance with the procedure applicable to staff or students. A sanction as applicable to students or staff may be imposed, with the necessary amendments, with the understanding that where a sanction of dismissal (staff) or expulsion (students) would be warranted, the Agreement will be terminated.

8.5 The relationship between the Parties is governed by this agreement, and by UJ Rules, Policies, Procedures and Regulations as well as the Policy issued by USAf pertaining to PDRFs.

8.6 PDRFs will be registered as research fellows, and will be issued with access cards, which differ from those of employees. These access cards will also allow for Library access.
