

# Apply to become a PHYSICS TUTOR

The Department of Physics (DFC Campus) at the University of Johannesburg (UJ) is inviting suitably qualified senior students to apply to work as Tutors.

The Department primarily offers first and second-year Physics service modules to the Faculty of Engineering and the Built Environment and the Faculty of Health Sciences at UJ.

To apply, you must satisfy the following requirements:

- Must be registered students at the University of Johannesburg for the current academic year.
- Must have passed (with distinction) at least one first-year Physics module in the fields of Science, Engineering or Health Sciences. Studying toward a postgraduate qualification would be an advantage.
- Must have a relevant laptop, desktop or smartphone and must reside at a location where internet connectivity is reasonably good.
- Must be familiar with using platforms such as Blackboard Learn, Zoom and/or Microsoft Teams.
- Must be willing to engage and interact with a diverse spectrum of students.

Interested candidates must forward the following documents to Mr TG Mathe (tmathe@uj.ac.za), no later than close of business on **Friday, 11 February 2022**:

- A curriculum vitae,
- Latest academic record, and
- Proof of registration for the 2022 academic year.

All successful candidates will be required to undergo a compulsory online tutor training program.

ENQUIRIES:

Ms Refiloe Motlout (Departmental Secretary)
