1. QUALIFICATION INFORMATION

The University of Johannesburg (UJ) offers the **Advanced Diploma in Logistics** on NQF Level 7. The programme is offered both full time and part time on the Auckland Park Bunting Road Campus (APB) and classes are conducted during the evenings.

2. PURPOSE

The purpose of the Advanced Diploma in Logistics is to provide both theoretical knowledge and practical skills in the field of Logistics Management to prospective students who are currently middle managers, or aspire towards middle management, so that they can apply the principles of Logistics Management in their working environment.

3. DURATION OF QUALIFICATION

One year full time and two years part time.

4. CONTACT SESSIONS (Only in Johannesburg)

- Classes are offered at the Auckland Park Bunting Road Campus, Cottesloe, Johannesburg.
- Classes are offered during the evening on Tuesdays and Thursdays every second week.
- Students will receive a complete class schedule upon registration.
- Class attendance is compulsory.
- The contact sessions information may be changed due to circumstances beyond our control.

5. ADMISSION REQUIREMENTS

The entry requirements for the Advanced Diploma in Logistics are a relevant three-year NQF Level 6 qualification with both Logistics and Purchasing as major modules. A minimum of 60% as an average for the combined third-year modules, with a minimum final average mark of 65% in each of the majors, Logistics and Purchasing, is required.

Alternatively, an applicant must have completed the UJ Bridging Programme into the Advanced Diploma in Logistics with a minimum final average mark of 65% in each of the modules.

All applications will be subject to a selection process and available space. The outcome of the selection process may require that:

- an applicant complete the UJ Bridging Programme into the Advanced Diploma in Logistics before admission to the Advanced Diploma in Logistics qualification can be considered,
- an applicant complete the enrichment programme: Principles of Funding.
