

ARE YOU PERSUADING A CAREER IN CONSTRUCTION?

CALLING ALL FINAL YEAR STUDENTS

Enza Construction is looking to recruit recently qualified Construction Management, Quantity Surveying and Civil Engineering Graduates onto their 2019 Graduate Development Programme.

ABOUT THE PROGRAMME

The Enza Graduate Development Programme is aimed at identifying and developing leadership skills for the construction industry. This is an 11 month programme that will begin in February 2019 and is specifically aimed at Graduates in their final year.

As a new Graduate with Enza Construction, you will be working in teams with highly skilled mentors and technical experts where you will be required to apply your academic knowledge to operational business needs and requirements.

ENROLL TODAY

Please submit your CV, latest results as well as a one page motivation letter as to why you should be employed by Enza Construction to Graduate@enzacon.co.za

All placements will be made subject to final results.

Applications close: 23 November 2018

WE BELIEVE IN BUILDING COMMUNITIES
