

## FACULTY OF EDUCATION

## SUMMARY PROPOSAL FOR DOCTORAL DEGREE STUDY

## The UJ Administration Structures and Processes state in item 3.5

Research proposals are formally approved by faculties in terms of their quality and research ethics requirements. Research proposals are scrutinised at departmental level before they are considered and approved by the relevant FHDC. Research proposals may also be approved at departmental level. However, it is advisable that proposals approved within the academic departments are certified as such by the HoD. Faculties may require a doctoral student to defend his/her proposal, and where feasible the same requirement may be applied to research master's proposals and coursework master's proposals.
