POSTGRADUATE INFORMATION

Masters & Doctoral Degrees

2021 Applications

UNIVERSITY  
OF  
JOHANNESBURG

# Department of Sport and Movement Studies

## Information to Masters and Doctoral students

- The Department offers the following research-based (RD) master's and doctoral programmes:
  - MCom & MPhil in Sport Management,
  - MPhil & PhD in Biokinetics,
  - MPhil & PhD in Sport Science.
  - The Department, in collaboration with the Olympic Studies Centre, offers the course work master's programme: MPhil in Sport Management (CW). *Note that take-in for the CW programme is every two years, therefore students can only apply for 2021 and thereafter again in 2023.*
- Applications (online or manual) are open throughout the year. The closing date for applications for the January intake is **31 October of the previous year.**
- Note: No applications can be sent to or via the Sport and Movement Department. No staff member is permitted to receive, complete or send applications on behalf of a student.

# Department of Sport and Movement Studies

## Application process

As part of the application process the following documents **must be** uploaded with your online application or sent to: UJ Enrolment Centre, University of Johannesburg, PO Box 524, AUCKLAND PARK, 2006, South Africa.

1. Your completed **UJ application and ID**.
2. An **official certified** copy of your **academic results** with regards to all degrees, diplomas and certificates (including your matric certificate). Please note that the minimum entry requirement for **both masters and doctoral studies is 60% or more**.
3. A complete **Curriculum Vitae** with all relevant information regarding past experiences and present involvement (please exclude school experiences or achievements).

# Department of Sport and Movement Studies

Application process (continued)

As part of the application process the following documents **must be** uploaded with your online application or sent to: UJ Enrolment Centre, University of Johannesburg, PO Box 524, AUCKLAND PARK, 2006, South Africa.

4. Please provide a brief outline of your **research interest as well as the proposed topic or title for your study**. If you are still undecided about a topic, please indicate a broad field of interest and/or experience you have obtained.
5. **Evidence of discussion with proposed supervisor in the department.** It is advised that students contact proposed supervisors before applying to align research interests with an available supervisor. Due to limited supervisory capacity in our department, we have limited space available for postgraduate students.

# Department of Sport and Movement Studies

Application process (continued)

As part of the application process the following documents **must be** uploaded with your online application or sent to: UJ Enrolment Centre, University of Johannesburg, PO Box 524, AUCKLAND PARK, 2006, South Africa.

**6. International students must first contact the UJ International Office for clearance** (SAQA certificate of qualification status, medical aid, etc.), before their application will be considered by the Department:

# Department of Sport and Movement Studies

Information to Masters and Doctoral students

Prospective candidates need to note the following:

- Due to limited supervisory capacity in the department, there are limited space available for postgraduate students.
- Meeting the academic requirements does not automatically guarantee a place in the programme.
- Students will only be notified after the closing date whether their applications were successful for the next year's intake.
- No application forms or additional information can be sent to the department directly.
- The department is not responsible for student tuition, grants or additional funding enquiries.
