

## INTERNATIONAL PARTNERSHIP

### UNIVERSITY OF NORTH CAROLINA-USA

The Department of Social Work has welcomed members of Faculty from the University of North Carolina and other universities to this University. Our most recent visit was on 28 May 2012 when members of Faculty from North Carolina spent a morning at the Department of Social Work, exchanging programme information. We were also pleased that the Vice Chancellor Prof Rensburg, paid an impromptu visit to the workshop. See pictures of the visit below.
