

International students

International students pay an additional international levy. Please contact the CEP Finance Officer at +27 (0) 11 559 2037.

Foreign Applicants

Who is regarded as a foreigner in South Africa?

When a foreign person is accepted for studies in South Africa, such a person is referred to as an international student. An international student is not a South African resident or does not have permanent residency in South Africa.

Permits

As all these programmes are presented on a part-time basis a special permit is therefore not necessary in order to attend lectures.

Foreign qualifications

Applicants interested in applying to study any of our non-formal programmes and who have completed a foreign school leaving certificate or foreign post-school qualification should contact the South African Qualifications Authority (SAQA) for an evaluation.

Please include the SAQA evaluation when applying for a study programme.

SAQA Contact details (evaluation of foreign qualifications)

South African Qualifications Authority (SAQA)
Centre for the Evaluation of Educational Qualifications (CEEQ)
Postnet Suite 248, Private Bag X06
Waterkloof, Pretoria, SA, 0145
