

## Professor Hinaunye Eita

I am a Professor and Head of Academics at the School of Economics. My research areas are macroeconomic modelling, applied econometrics, financial markets, international trade and finance and I am rated by the National Research Foundation (NRF) as an established researcher. Several masters and doctoral theses have been completed under my supervision. I've conducted, coordinated research projects for private sector and government organisations or departments. I presented papers at local and international conferences. I published research papers in local and international journals.

## Contact details

Office: D-Ring 230 Kingsway Campus

Tel: +27115592105

Fax: +27115593039

E-mail: [jeita@uj.ac.za](mailto:jeita@uj.ac.za)

## Academic History

- PhD in Economics, University of Pretoria
- M. Com in Economics, University of Cape Town
- B. Com Honours in Economics, University of Cape Town
- B. Com (accountancy, economics and management), University of Namibia
