## Programme Information

PSG is a leading financial services provider in South Africa and is committed to contribute towards the growth, development and empowerment of youth in the country.

Our PSG Bursary Programme aims to create a pipeline of young talent within the financial services industry.

## What is in it for me?

- Financial assistance regarding your under-graduate final year or post-graduate programme (Tuition, textbooks etc)
- Entry to the Graduate programme the following year.
- Continuous coaching, mentoring and on-the-job training
- Work exposure within the financial services industry

## Minimum Requirements

- Be South African Citizens
- Degree in one of the following disciplines:
  - **IT** (Information Technology, Information Systems, Computer Science, Informatics, Project Management, Software Development, Data Analytics, Artificial Intelligence)
  - **Engineering** (Electrical, Electronic and Computer, Mechanical, Industrial)
  - **Math/Stats** (Applied Mathematics, Mathematical Sciences, Statistics)
  - **Investments Management** (CFP is advantageous)
- Average of 65% and above

## Personal Attributes

- Ambitious & looking to advance in their career within the financial services industry
- Energetic with a solution oriented attitude
- Good at working in a team
- Able to remain calm under pressure
- Resilient
- Attention to detail

## How to apply:

If you meet with the minimum requirements, you can apply by visiting our PSG website. Simply go to the Careers tab on our website ([www.psg.co.za](http://www.psg.co.za)) and complete the registration process. Upload your **CV, academic transcripts, and a copy of your ID** and submit your application to the Bursary programme.
