

2024 Postdoctoral Research Fellowships

APPLICATION FOR ADMISSION FORM

INSTRUCTIONS

1. The application form must be completed electronically and signed by the Postdoctoral Research Fellows (PDRFs).
2. In order to qualify for a PDRF position, the following criteria will be considered during the selection process:
 - Candidates must be available for full-time research at the University of Johannesburg (UJ).
 - The doctorate should have been obtained in the last five (5) years. Should the doctoral degree certificate not be available yet, a formal letter from the previous university confirming completion of doctoral degree will be required.
 - Fellowships are awarded on a competitive basis, taking the Applicant's academic achievements and a good motivation as researchers into account. Publications weigh heavily in the assessment of applications. Applicants are encouraged to ensure that a full list of their publications are included in the CV section of the application form.
 - As the fellowship is principally to enable the PDRFs to focus on their research, the fellowship holder may not hold full-time salaried employment concurrently with a tenure of fellowship, but may undertake a maximum of twelve hours of co-supervision, teaching or assistance to postgraduate students per week on average during the year of fellowship.
 - All awardees will be required to enter into a signed agreement with the University of Johannesburg.
 - Citizenship is not restricted.
 - Foreign PDRFs are encouraged to do the necessary translations on their qualification records/exam transcripts and obtain (where relevant) SAQA accreditation before submitting their applications.
 - All PDRFs are required to apply for external funding during the tenure of their postdoctoral fellowship with UJ.
3. Applicants may submit the a completed application form; a copy of a CV; certified copy of a passport/ID; research proposal; PhD certificate; exam transcripts to the relevant faculty for further consideration.
