EXTERNAL FUNDING

Once appointed at UJ, all PDRFs are required to apply for external funding from the NRF or CSIR, or any other funding organisation, where possible, and they must provide proof of such to the Vice-Dean: Research in their faculties. Please find the website addresses of these Funders.

1. **National Research Foundation (NRF)** – For more information on NRF Postdoctoral Fellowships, please visit www.uj.ac.za/postgraduate-school. Alternatively, you can visit the NRF website at www.nrf.ac.za. The NRF provides a PDRF the opportunity to apply online for a research grant based on the type of scholarship applied for.
2. The **Council for Scientific and Industrial Research (CSIR)** communicates with specific faculties for available fellowship opportunities to PDRFs whose research interest is aligned with the CSIR's business. Their website address is <https://www.csir.co.za>.
