Dear First Year Student

The University of Johannesburg welcomes you!

The First Year Seminar (FYS) is compulsory for all students and it is designed to orientate students into the new university environment.

Please attend the programme on the Campus at which you will be studying. We encourage you to take advantage of this opportunity and all the resources the university has to offer to ensure that your transition into higher learning is effortless.

We wish you have an informative and enjoyable First Year Seminar and much success in your undergraduate studies.

The **UJ Disability Unit** provides technological, academic and psychosocial support to students with disabilities on all four UJ Campuses.
