

PsyCaD Career Services

Your online career solution

PsyCaD Career Services proudly introduces UJCareerWiz, the one-stop graduate employer career portal

Address all your career needs in one online location, conveniently located within your own company page on UJCareerWiz, PsyCaD Career Services' comprehensive career services management solution for our graduate employer clients!

Visit <https://UJCareerWiz.co.za/> to register and create your company profile.

UJCareerWiz, PsyCaD Career Services' online career application, offers graduate recruiters the following benefits:

- Set dynamic company profiles (including logos, statistics, photo gallery and multimedia) for students to view
- Seamlessly post job opportunities (vacation/part-time, internships, work integrated learning, graduate positions)
- Register for events (career fairs, on campus recruiting, company talks)
- Manage interview schedules
- Access to student profiles
- Place candidates
