

## Fully Online Programmes - Students Payment Methods

### IMPORTANT:

- All tuition fees due should be paid in full before registration will be allowed.
- International payment may take longer to clear than normal.
- International students are not required to pay the international levy.
- All previous debt with UJ must first be settled before a student will be allowed to register for a fully online programme.
- Bad debt written off does not mean the student is now exonerated from the debt. Payment still needs to be made before the student will be allowed to register.
