| Does the Assessor's CV indicate an acceptable academic standing in terms of a current publication record, successful supervisory and/or post graduate examiner experience? | Yes/No |

The UJ Higher Degrees and Postgraduate policy states:

Section 12.2.3: For Doctoral-level qualifications, at least three assessors should be appointed. All assessors must hold a Doctoral degree and be external to the University. They must also not have had prior involvement with the project that might compromise their objectivity when assessing the thesis. Efforts should be made to identify at least one assessor from outside South Africa.
