AND ARCHITECTURE

2021 Postgraduate Programmes

Department of Industrial Design

The Future
Reimagined.

BA Hons (Industrial Design) H8ID2Q

Admission requirements: An appropriate Bachelors degree in Industrial Design with a recommended minimum of 60% for all final year modules.

Duration of programme: 1 year full-time

Contact details: Name: Mrs Adele Maritz
Tel: 011 559 1126 / Email: fadapg@uj.ac.za

Brief description of programme: The purpose of the Bachelor of Arts Honours in Industrial Design is to prepare students for research based postgraduate study and entry into an industrial design career by enabling students to produce creative solutions to complex problems in industrial design and to conduct and report on research under supervision.

MA (Design) Department of Industrial Design M8PD1Q

Admission requirements

A relevant Bachelor Honours Degree a “professional” Bachelor’s Degree, or relevant Postgraduate Diploma, with sufficient preparation to conduct research with a recommended minimum of 60% for all final-year modules. A relevant Baccalaureus Technologiae: Industrial Design degree, with an average mark of at least 65% combined with a research methodology short learning component as recommended by a Status Committee and approved by the Faculty Board.

Selection criteria

In addition to the minimum admission requirements as outlined above, prospective students may be required to present a portfolio of their own work to an interview panel. A portfolio would be requested if further evidence is required of a students’ readiness to conduct textual or artefactual research. In the case of textual research the portfolio would contain examples of written research, and in the case of artefactual research a portfolio with design artefacts would be required.

Duration of programme structure

Minimum duration: One year full-time/two years part-time.
Maximum duration: Two years full-time/three years part-time
The research component comprises 100% of the programme.

Contact details: Name: Mrs Adele Maritz
Tel: 011 559 1126 / Email: fadapg@uj.ac.za

Brief description of the programme

The purpose of the programme is to educate and train researchers who can contribute to the development of knowledge at an advanced level. The Master’s degree is earned by completing a single advanced research project, culminating in the production and acceptance of a dissertation.

MA (Industrial Design) M8PD2Q

Admission requirements: A relevant Bachelor Honours Degree, a "professional" Bachelor's Degree in Industrial Design (NQF level 8), or a Postgraduate Diploma, in Industrial Design, or an equivalent qualification at an equivalent standard as recommended by a Status Committee and approved by the Faculty Board with sufficient preparation to conduct research with a recommended minimum of 60% for all final-year modules. A relevant Baccalaureus Technologiae in Industrial Design, with an average mark of at least 65% combined with a research methodology short learning component.

Selection criteria: In addition to the minimum admission requirements as outlined above, prospective students may be required to present a portfolio of their own work to an interview panel. A portfolio would be requested if further evidence is required of a students' readiness to conduct textual or artefactual research. In the case of textual research the portfolio would contain examples of written research, and in the case of artefactual research a portfolio with industrial design artefacts would be required.

Duration of programme: Minimum duration: one year full-time / two years part-time.

Brief description of the programme: The purpose of the Master of Arts in Industrial Design is to develop researchers who can contribute to industrial design knowledge at an advanced level. This qualification by research will be earned by completing an advanced research project, which culminates in the production and acceptance of a dissertation. The research project may take the form of textual or artefactual research but, regardless of the preferred form of research, a written dissertation is delivered as the final output of the qualification which complies with the generally accepted norms for research at this level.

PhD (Doctor of Philosophy) in Art and Design P8AD1Q

Admission requirements: An appropriate Master's Degree or equivalent with a minimum final mark of 65%

Selection criteria: An appropriate Master's Degree or equivalent with a minimum final mark of 65%

Duration of programme:

Minimum duration: Two years full-time or part-time.

Maximum duration: Four years full-time or five years part-time.

Contact details: Name: Mrs Adele Maritz
Tel: 011 559 1126 / Email: fadapg@uj.ac.za

Brief description of programme: The purpose of the programme is to enable candidates to undertake research at the most advanced academic level culminating in the submission, assessment and acceptance of a thesis. The candidate is required to demonstrate high-level research capability and make a significant and original academic contribution at the frontiers of art and/or design. In certain instances creative work such as designed artefacts, public performances, public exhibitions or other practice based outputs may constitute the partial fulfilment of the research requirements.
