

UNIVERSITY OF JOHANNESBURG

Research Master's and Doctoral applications.

Summary of Research Focus

Applicants must complete all sections of this document and submit it with their application or within 10 calendar days.

The completed document will assist us in your final selection process. Should this document not be submitted, your application will not be processed.

Applicants applying for two different research qualifications will be required to complete this form twice.

NB - SUBMISSION OF DOCUMENT:

SECTION A: Applicant details

- This document must be completed electronically. Handwritten submissions will not be accepted.
- Once completed, submit the document with your application online or email it to ujappdocs@listsrv.uj.ac.za
- When submitting the document ensure that the file is a maximum of 512 KB.
- Ensure that your document is submitted in any of the following file types pdf, tiff, jpg, gif or png.
- Use your student number in the SUBJECT line of your email.

| Faculty | | | Qualification Name | | | | Date | Date | | |
|---|--|---------|-----------------------|--|----------|--|------|-------|------|--|
| Student number | | Surname | | | Initials | | Т | Title | | |
| SECTION B: Supervisor details - (The applicant to supply the detail of a supervisor only if already identified). If not identified yet indicate 'Not allocated as yet' in the section of the supervisor detail. | | | | | | | | | | |
| SUPERVISOR Surname (optional) | | | | | Initials | | | Title | itle | |
| Section C: Details of the research focus This section will guide those reviewing the application to allocate a supervisor for this study and to get a better sense of your intended research focus. | | | | | | | | | | |
| Proposed research field (a maximum of 15 words): | | | | | | | | | | |
| | | | | | | | | | | |

| Discussion of the research problem and motivation for the study (a maximum of 150 words): | | | | | | | | | | |
