## Applied Information Systems Affinity Group Launch

The Department of Applied Information Systems in the School of Consumer Intelligence and Information Systems, Alumni Affinity Group, was launched at a hybrid event on 31 March 2022. Dr. Stella Bvuma, Head of the Department, invited alumni to take hands with the Department in securing future-fit professionals in the African continent. The University of Johannesburg Alumni Division co-hosted the event with a keynote address by Jessica Tandy, Illustrious UJ Alumnus, and Partner at Bizmod, Co-Owner: African Talent Unearthed.
