Undergraduate Studies 2023 Intake

The College of Business and Economics, in short CBE, at the University of Johannesburg strives to develop critical thinkers and problem solvers that address business, economic and societal challenges.

The CBE offers substantial and well-established programmes serving both the private and public sector, contributing to UJ's vision of promoting Pan-Africanism.

Due to ongoing programme reviews and external approval of new programmes there may be changes in diploma and degree programmes in terms of range and mix of qualifications, curricula and admission requirements.
