INVITATION

The Research Capacity Development Unit of the Postgraduate School at the University of Johannesburg would like to invite you to join the audience in the **UJ Visualise Your Thesis competition**

The VYT is a competition format developed by The University of Melbourne. It provides an opportunity for master's students and doctoral candidates to showcase their research and to build essential digital communication skills to effectively communicate complex research to a general audience. Using a pre-supplied template, entrants are tasked with developing a striking audio-visual presentation that presents their research project via a short and engaging digital narrative.
