### ABOUT THE PROJECT

The Geography of Philosophy Project studies diversity in people's conceptions of understanding, wisdom, and knowledge around the world, and seeks to promote cross-cultural research in cognitive science.

### PRINCIPAL INVESTIGATORS

Edouard Machery (Pittsburgh)

Stephen Stich (Rutgers)

H. Clark Barrett (UCLA)

### TEAMS

The Project has teams in nine regions: China, Eastern Europe, Ecuador, India, Japan, Morocco, Peru, South Africa, and South Korea. It also has advisers from the Universities of British Columbia and Waterloo.
