Reimagined

Introduction

The University of Johannesburg's Postgraduate Diploma in Legal Principles Compliance (PGD) consists of modules that were offered previously by the Rand Afrikaans University and modules that were specifically developed for the postgraduate programme.

The Postgraduate Diploma consists of four modules that are presented at a postgraduate level:

Module 1: Money Laundering Control

Module 2: Certificate in Compliance Management

Module 3: Board Governance OR Corporate Governance (electives). You have to choose one and not both

Module 4: Basic Interpretation Theory (BIT)

All four modules are presented in block tuition format to enable students who are based outside Gauteng to participate fully. Lectures are normally presented at the Auckland Park Kingsway Campus of the University. Please note that attendance of lectures is compulsory.

Admission Requirements

In order to meet our administrative and regulatory requirements, a student needs to be in possession of a Bachelor's degree in Law or Commerce or an equivalent qualification on NQF Level 7.

Programme Structure

In order to register for the final module (BIT), a student would also need to have completed Modules 1, 2 and 3. These three modules do not have to be completed in any particular order. Students may also register for Modules 1, 2 and 3 as stand-alone programmes

if they do not wish to complete the Diploma programme. Students who have completed standalone programmes and comply with the admission requirements for the PGD Compliance may register for Module 4. The Postgraduate Diploma will be awarded upon successful completion of the requirements for Module 4.

General

The Centre is often approached by students who enquire about programme accreditation and who ask permission to enrol for more than one module simultaneously:

- We may consider granting exemption to a student for the Money Laundering, Compliance Management and Board Governance modules, where such similar programmes have been successfully completed by the prospective student and then only, on the strict proviso; that the duration; material content and method of assessment in the said programme; meets with our approval. Credit will NOT be granted for the last (BIT) module as it is the EXIT module of the PGD in Compliance. Prospective students should please contact Ms Busi Mpfu for queries.
- Part-time students are advised NOT to enrol for more than one module simultaneously as the modules are designed to be completed in the prescribed period and the students will find it very difficult to balance their studies and their work.
