

HOW TO UPLOAD YOUR TENDER

PLEASE YOUR FILES MUST BE IN PDF NOT ANY OTHER FORMAT.

Please follow the link below to upload your tender documentation

UJ Tender Web Submission Link: <https://www.uj.ac.za/Pages/tender.aspx>

(right click, open hyperlink)

1. Tenders must be uploaded in a zip file.
 2. All zip files and tender documents within the zip files must be clearly and correctly labelled, using your full company name, tender reference number and document folder name.
 3. Zip files must contain document folders,
 - Ø **Folder 1** - UJ Tender / RFP document – in this folder is the UJ tender document.
 - Ø **Folder 2** - Mandatory documents i.e. Company documents – in this folder it's all the admin documents listed on the UJ tender document.
 - Ø **Folder 3** - Financial offer – in this folder, it's your financial offer or quotation or completed BOQ.
 - Ø **Folder 4** - Technical proposal – in this folder, it's all the technical requirements as listed on the specification or evaluation criteria or any technical information required as per the tender.
 4. If documents were provided in an excel format, please submit the proposed document back in an excel format. All other documents will be PDF.
-

PLEASE REFER TO PAGE 2 FOR A STEP BY STEP PROCESS

STEPS TO FOLLOW

1. Create a Zip File, under your Zip File, put all folders as requested (above) do not submit one document with lots of pages, your submission must be in folders, and all the folders must be in a Zip File, you will attach a Zip File instead of Individual documents.
2. How to Create a Zip File (Google has lots of material on this, please refer to it.)

Zip files must contain document folders,

- Ø **Folder 1** - UJ Tender / RFP document – in this folder is the UJ tender document.
- Ø **Folder 2** - Mandatory documents i.e. Company documents – in this folder it's all the admin documents listed on the UJ tender document.
- Ø **Folder 3** - Financial offer – in this folder, it's your financial offer or quotation or completed BOQ.
- Ø **Folder 4** - Technical proposal – in this folder, it's all the technical requirements as listed on the specification or evaluation criteria or any technical information required as per the tender.

3. Go to the weblink provided to submit your tender:

UJ Tender Web Submission Link: <https://www.uj.ac.za/Pages/tender.aspx>

(right click, open hyperlink)

4. You will be directed to this page:

The screenshot shows a web browser window displaying the UJ Tender Submission page. The browser's address bar shows the URL <https://www.uj.ac.za/Pages/tender.aspx>. The page has a blue header with the University of Johannesburg logo and navigation links: About, Study@UJ, Faculties, Research, Library, Students & Staff, and 4IR. A search icon is also present. Below the header, a message states: "Please follow the link below to upload your tender documentation". Underneath, it says "Instructions for tender submissions:" followed by a numbered list of instructions. The instructions specify that tenders must be uploaded in a zip file, all zip files and tender documents within the zip files must be clearly and correctly labelled, and zip files must contain document folders. The folders listed are: UJ Tender / RFP document, Mandatory documents i.e. Company documents, Financial offer, and Technical proposal. A final instruction states that if documents were provided in an excel format, they should be submitted back in an excel format, and all other documents will be PDF. At the bottom of the page, there are two small grey boxes with text: "Thank you for your submission" and "Thank you for your submission". The Windows taskbar is visible at the bottom of the screen, showing the date and time as 14:13 on 2020/06/15.
