- **Additional Information**

- Grocery items must not be close to expiring date, 6 months lifespan.
- The best before date should be visible on the package for storage and rotation purpose. Products that are defective or unsatisfactory will be returned.
- Labelling and Packaging of items must contain a code that allows traceability of the product from the manufacturer or producer in the event of a recall.
- Groceries should be transported in different containers/pallets, to avoid cross contamination.
- Storage space / warehousing is specific to storage temperatures.

- You may use the UJ-provided quotation format or your own, but please do not change our standards; instead, add on options. **YOUR OWN QUOTATION FORMAT MUST BE CLEAR, AND WORDS OR SIMILAR MUST BE USED AS PER OUR REQUIREMENTS. PLEASE BE AWARE OF INDUSTRY TERMINOLOGY SO THAT WE CAN COMPREHEND YOUR OFFERS/QUOTED ITEMS.**
