

# Graduation Programme

The Future. Reimagined.

## Dear UJ Graduate

At the University of Johannesburg (UJ), graduation not only signifies an academic milestone but also represents the emergence of a new cohort of leaders. Our objective has been to empower you as leaders who are primed to face the challenges of an ever-changing world defined by a plethora of challenges and opportunities. As you navigate these great societal shifts, we hope that your time at UJ will serve as a constant source of reference and inspiration. As we have sought to demonstrate, the Fourth Industrial Revolution (4IR) presents the opportunity for the exploration of new and exciting spheres, and you are uniquely poised to navigate this terrain. Our focus at UJ has been to create graduates who are agile, curious, and able to be active participants against this backdrop.

Your graduation today serves as a celebration of this momentous achievement! I want to take this opportunity to remind you that you now represent the privileged few in our country. You are uniquely poised to address some of the serious challenges we face and a qualification from UJ will stand you in good stead!

At UJ, you have encountered the finest academic minds from diverse backgrounds, spanning across the world as well as innovative technology-rich approaches to teaching and learning. As a result, UJ's global stature and academic robustness are recognised by the most prestigious global higher education ranking systems in the world. UJ has become a competitive player, not only in South Africa but also on the continent. You are an important part of this story.

We welcome you as a new member of our esteemed alumni community, which is making a lasting impact on society. We encourage you to join the UJ Alumni Network and become an active member of the University Convocation, which affords you an opportunity to make a significant contribution to our academic projects and beyond. Our promise in return to you is that we will continue to build UJ as an international university of choice, anchored in Africa, dynamically shaping the future.

Congratulations on this significant achievement. We look forward to witnessing you reimagine the future!

Long live each student;  
Long live the whole fraternity;  
For ever may they flourish!

## **Mukonavanhu, Tinashe (PhD)**

Tinashe Mukonavanhu holds a Bachelor of Administration Degree in Public Administration, a Bachelor of Administration Honours Degree, and a Master of Administration Degree from the University of Venda. He lectured at the University of Venda and the University of Johannesburg, Department of Applied Information Systems, was a research assistant at the School of Public Management, Governance and Public Policy and an administrative assistant at the Department of Health Services. Tinashe Mukonavanhu has attended several conferences during his academic career and has published two internationally recognised journal articles in the field of Public Management and Governance.

His thesis focused on water demand planning in the Vhembe District Municipality. Using an integrated mixed-methods research approach, he conducted open-ended interviews concurrently with structured questionnaires towards a purposively selected sample in the Vhembe District Municipality.

The conclusions of the study confirm that water demand planning is not properly understood nor implemented, which hinders the effective achievement of basic water supply and sanitation services. The study developed five integrated water demand management models to improve water supply and sanitation services.

## National Anthem of South Africa

Nkosi sikelel' Afrika  
Maluphakanyisw' uphondo lwayo,

Yizwa imithandazo yethu,  
Nkosi sikelela, thina lusapho lwayo.

Morena boloka setjhaba sa heso,  
O fedise dintwa le matshwenyeho,  
O se boloke, O se boloke setjhaba sa heso,  
Setjhaba sa South Afrika - South Afrika.

Uit die blou van onse hemel,  
Uit die diepte van ons see,  
Oor ons ewige gebergtes,  
Waar die kranse antwoord gee,

Sounds the call to come together,  
And united we shall stand,  
Let us live and strive for freedom,  
In South Africa our land.
