BCom Honours in Taxation FREQUENTLY ASKED QUESTIONS

What is a BCom Honours?

The BComHons degree is a postgraduate specialisation qualification, characterised by the fact that it prepares students for research-based postgraduate study. This qualification typically follows a BCom degree, and serves to consolidate and deepen the student's expertise in the accounting discipline (taxation), and to develop research capacity in the methodology and techniques.

This qualification demands a high level of theoretical engagement and intellectual independence with specialised fields in the accounting discipline (taxation). The BComHons in Taxation gives student the opportunities to further their careers at the following professional bodies depending.

Think Ahead

The BComHons in Taxation programme includes conducting and reporting research under supervision, 30 credits, in the form of a discrete research component that is appropriate to the discipline or field of study (Applied Research).

What are the requirements for the BCom Honours in Taxation?

A potential student must be in possession of a BCom or an Advanced Diploma and should have appropriate knowledge of Accounting, Taxation, Auditing and Organisational Governance (New NQF LEVEL: 7/Old NQF LEVEL: 6). The minimum requirement for the BComHons is a 60% average in the third year subjects for Accounting, Taxation and Auditing. For the BComHons in Taxation a students must also have a minimum mark of 60% for tax in the third year.

Please note: The above is application criteria only. Space is limited and is based on academic performance and the students with the best academic performance will be selected.

What options are available to a student on the BCom Honours in Taxation and what subjects will a student have?

Taxation

- Advanced Accounting
- Advanced Organisational Governance and Risk Management
- Global Taxation Principles
- South African Taxation
- Research Methodology
- Applied Research in Taxation

Once I have successfully completed the BCom Honours in Taxation, can I pursue further post graduate studies?

A student who has successfully completed the BComHons in Taxation can pursue their studies for a relevant Master's degree (provided they meet the minimum requirements of the Master's programme) as the BComHons has the correct NQF level and research component to give access to a Master's degree.

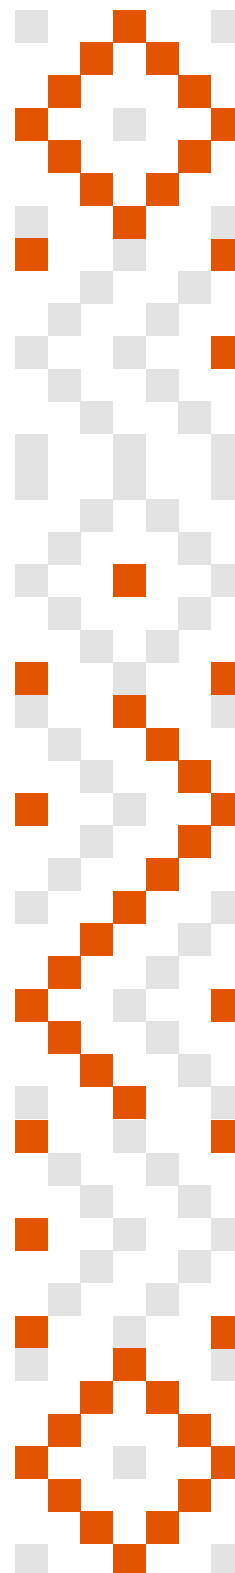

How does the BCom Honours prepare me to the 4th Industrial Revolution (4IR)?

The BComHons programme has a Work Integrated Learning (WIL) project that introduces students to new technologies and prepares students to think critically about the implementation of new technologies in the wake of the 4th Industrial Revolution and re-skill themselves for the future of the accounting profession.

BCom Honours in Taxation

FREQUENTLY ASKED QUESTIONS

Will a student be able to register with any professional bodies?

A student will be able to register with ACCA and SAIPA as a strategic/professional accountant. Students who studied taxation will be eligible to register with The South Africa Institute of Tax Practitioners (SAIT) and write their professional exams. The Honours in Accredited with the ACCA, and therefore students will qualify for exemptions in their professional examinations.

Will a student have to serve any articles as a trainee?

Articles for trainee accountants and tax practitioners will be determined by the professional body that a student registers with.

Does this mean that if a student completes the BCom Honours they can become a Chartered Accountant (CA)?

No, the BComHons does not make you eligible to write the board exams to become a CA (SA). Please contact Mrs Nicolene du Plooy at nicolenedp@uj.ac.za for further information regarding the Post Graduate Diploma in Accounting Science (PGDAS).

If a student completed a degree several years ago, can they apply for the BCom Honours?

A student with a degree older than three (3) years would need to first complete a bridging programme. Please contact Ms Belinda Schutte belindas@uj.ac.za for more information regarding the bridging programme.

Can a student who has completed a degree at an institution outside South Africa apply for the BCom Honours?

Students from tertiary institutions outside South Africa are advised to first complete a bridging programme before they can be considered for the BComHons. Please contact Ms Belinda Schutte on belindas@uj.ac.za for more information regarding the bridging programme.

International students or students with an international qualification must contact the International Office at the University before applying at the Department – contact telephone number 011 559 4517.

Applications for International students open on 1 June and close 11 August 2024.

What are the options if a student wishes to become a CA?

Students can apply for the PGDAS. If a student does not meet the minimum entry requirements and has successfully completed a BCom degree a student may apply for a bridging certificate in the theory of accounting (BCTA), which is a one year course. Please contact Mrs Gugu Khumalo at gkhumalo@uj.ac.za for further information about BCTA. Upon successful completion of the BCTA and if a student meets the minimum academic entry requirements for the PGDAS, they may apply for the PGDAS.

When do the applications for the BCom Honours programmes open?

The applications are open on-line from April 2024 via the UJ website at;
<https://www.uj.ac.za/studyatUJ/sec/Pages/Academic%20Application.aspx>

Students currently studying at UJ can apply via the student portal (this is the recommended process for UJ students).
