

University of Johannesburg

WiFi@UJ Setup User Guide

About this guide WiFi@UJ is the New WiFi Network Name for **students**, all registered UJ Students are to connect to the UJ network as well as the internet using this WiFi network name. The previous WiFi network name for students (*Student_Access*) has been decommissioned. Staff Members are to continue to connect using *Staff_Access* and guests to use the recently published *Guest_WiFi@UJ*. **WiFi@UJ** has been broadcasted to All UJ Campuses including UJ Student residences, the steps below are basic guidelines to assist with connecting to the newly publicized **WiFi@UJ**.
