ALUMNI SPOTLIGHT

Sello Masemola

I enrolled at the University of Johannesburg in 2013 and completed the Diploma in Accounting in 2015. In 2016 we continued to pursue the Advanced diploma in Applied Accounting Sciences and then moved to the Post-graduate Diploma in Applied Accounting Sciences at the University of South Africa. I wrote the initial test of competence for the first time in January 2020 and repeated it in November of 2020, achieving in on my second attempt. There were times where I felt the urge to quit, the path was becoming too heavy and the failures were starting to become a norm, however it is in these times of failure where I discovered my patience and resilience. A strong support structure played a pivotal role in getting where I am now.

Congratulations Sello, you have worked hard for this moment and we look forward to cheering you on in your next adventure!
